Istruzione e formazione

2016

Maître de conférences Section 36 Terre solide

géodynamique des enveloppes supérieures paléobiosphère

Ministère de l'Enseignement Supérieur et de la Recherche et les É - FR

2010

PhD in Paleontology

Hydrodynamic behaviour of nummulitids. - 1

University of Vienna - Vienna - AT

2006

MSc in Earth Science

Biostratigraphy of Upper Eocene and Oligocene of Majella mountain (central Italy) with special reference to larger Foraminifers and Corals - 108/110

Università la Sapienza - Roma - IT

Esperienza accademica

2018 - IN CORSO

Professore associato

Università di Genova - Genova - IT

Docenza e ricerca

2017

Senior Assistant Professor

Universiti Brunei Darussalam - Bandar Seri Begawan - BN

Docenza e ricerca

2014 - 2017

Senior Lecturer

Universiti Brunei Darussalam - Bandar Seri Begawan - BN

Docenza e ricerca

2011 - 2014

Post Doc

University of Vienna - Vienna - AT

Docenza e ricerca

2007 - 2011

Scientific Assistant

University of Vienna - Vienna - AT

Docenza e ricerca

Esperienza professionale

2013 - IN CORSO

Honorary Lecturer

International School of Foraminifera - Urbino - IT

Competenze linguistiche

Esperto

Attività didattica

Systematic Palaeontology (2007-2014);
Biostratigraphy and Evolution of Life (2007-2014);
Fossilisation and Palaeoecology (2007-2014);
Applied Micropalaeontology (2007-2014 / 2018 - now);
Physical geology (2014 - 2017);
Introduction to Palaeontology (2014 - now);
Micropalaeontology and Biostratigraphy (2014 - 2017);
Advanced Sedimentology (2014-2017);
Geology of Brunei (2016 - 2017).

Interessi di ricerca

Biostratigraphy, paleobiology, Sedimentology, Eocene and Oligocene larger Foraminifera, transport- deposition and accumulation of shells, statistics, Micro Computed Tomography (microCT).
