Research interests

His main area of research focuses on early modern literature with a particular regard to Giovanni Della Casa (Giovanni Della Casa, *Scritti biografici e polemici*, Florence 2020), Giovan Vincenzo Imperiale (*Tra Tasso e Marino: Giovan Vincenzo Imperiali. Percorsi nella letteratura di primo Seicento*, Alessandria 2015), and the cultural phenomenon of the Academies (*Leggi e ordini dell'Accademia degli Addormentati di Genova - 1587*, Manziana, 2016). Further areas of research concern the Pietro Metastasio's correspondence in the cultural life of 18th century Italy and Europe, the literature of the *Risorgimento* (Giuseppe Mazzini, *Scritti sul romanzo e altri saggi letterari*, Rome 2012) and the Carlo Levi's works in the context of 20th century literary production.
