

CURRICULUM VITAE OF BATTAGLIA FRANCESCA MARIA

**FORMATO EUROPEO
PER IL CURRICULUM
VITAE**

PERSONAL INFORMATION

Name	BATTAGLIA Francesca Maria
Address	
Telephone	
E-mail	francesca.battaglia.ge@gmail.com
Nationality	Italian
Date of birth	
Professional Office	Studio Battaglia Empathic Mind Group: Via XX Settembre 5/5 Genova Centro Papillon, Viale Franchini 24/2, Genova Nervi

WORK EXPERIENCE

- Date (from– to) **From 1999 to today**
- Name and address of the professional office **Centro Papillon**
- Type of employment **Freelance neuropsychologist, cognitive-behavioral psychotherapist.**
- Date (from– to) **From 2009 to December 2015**
- Name and address of the professional office **Institute Miller** (Institute of Psychology and Cognitive-Behavioral Therapy),
- Type of employment **Freelance neuropsychologist, cognitive-behavioral psychotherapist.**
- Date (from– to) **Dal 1° luglio 2013 a tutt'oggi**
- Name and address of the professional office **Studio Battaglia “Empathic Mind Group”** (fino al mese di dicembre 2021 sito in Via XX Settembre 2/34, da gennaio 2022 sito in Via XX Settembre 5/5)
- Type of employment **Freelance neuropsychologist, cognitive-behavioral psychotherapist.**
- Main duties and responsibilities in the above locations
Insights into developmental neuropsychology, with particular attention to:
 - cognitive/neuropsychological assessment (functional mapping) and diagnosis in neurodevelopmental disorders and in particular in: Autism Spectrum Disorders, Primary Language Disorders, Social Pragmatic Disorders, Specific Learning Disorders (SLD), sometimes in comorbidity with Autism Spectrum Disorders, etc.

- development/supervision of personalized rehabilitation projects, taken in charge in collaboration with a multidisciplinary team (child neuropsychiatrist, speech therapist, neuropsychomotor therapist, physiotherapist, pedagogist, optometrist, tutor);
- school orientation;
- integrated work with families (particular attention to interventions on metacognition and parenting -> Parent Training) and schools;
- follow-up;
- collaboration with local structures;
- psychological support (particular attention to interventions on metacognition) and in specific situations that require it: cognitive-behavioral psychotherapy.
- collaboration with the International School of Genoa: cognitive and neuropsychological assessment of subjects with DSA, periodic meetings with DSA referents, teachers and managers, sometimes in relation to the speech therapy rehabilitation/habilitation intervention carried out in the school environment by Dr. P. Pyrovolaki.

The undersigned carries out more than 60 hours of annual supervision for professionals who work in the field of DSA.

Neuropsychologist in the field of research “Identification of phenotypic classification criteria and genetic risk factors in autistic disorder”.

FROM JUNE 2001 TO SEPTEMBER 2001

Department and Chair of Child Neuropsychiatry, IRCCS Gaslini Institute, Genoa - University of Genoa.

Scientific Institute /University

Assignment for collaboration on the University Research Projects 1999 and 2000

Neuropsychologist

FROM 1 NOVEMBER 2000 TO 31 MAY 2001.

U.O. and Chair of Child Neuropsychiatry, IRCCS G. Gaslini, Genoa

Scientific Institute

Contract for Ministerial Finalized Research n. 2/98

Neuropsychologist in the field of Research “Drug-resistant epilepsies in children: formulation of guidelines for the early definition of drug resistance and for indications for surgical treatment”

FROM 1 NOVEMBER 1998 TO 31 OCTOBER 2000

U.O. and Chair of Child Neuropsychiatry, IRCCS G. Gaslini, Genoa

Scientific Institute

Borsa di Studio per la ricerca Corrente “*Epilessie in età evolutiva con stati di male elettrico*”

Neuropsychologist

FROM 1ST NOVEMBER 1997 TO 31ST JANUARY 1998

U.O. and Chair of Child Neuropsychiatry, IRCCS G. Gaslini, Genoa

Scientific Institute

Contratto per la ricerca “*Studio dei fattori predittivi del diabete insulino-dipendente (DID) e valutazione degli effetti di un trattamento farmacologico nei soggetti a rischio (familiari di I grado) di pazienti affetti da DID*”

Neuropsychologist

FROM 1ST NOVEMBER 1996 TO 30TH OCTOBER 1997

Coordinator Prof. Vigevano of the hospital "Bambin Gesù", Rome.

EDUCATION AND TRAINING

- **Date** **22.06.1988**
 - Name and type of educational or training institution University of Rome “La Sapienza”
- Qualification obtained Degree in Psychology (grade 105/110 with thesis on: Emotion in the work of Henri Wallon).
- **Date** **16.09.1997**
 - Name and type of educational or training institution University of Modena
- Qualification obtained PhD in Pathophysiology of Development and Relational Life, lasting three years, excellent grade, with a thesis on: Study of neuropsychological functions in developmental epilepsies: partial epilepsies, correlations between neuropsychological and electrophysiological data.
- **Date** **November 1998 Session**
 - Name and type of educational or training institution University of Rome
- Qualification obtained **Qualification to practice the profession of Psychologist**
- **Date** **20.04.1999**
 - Name and type of educational or training institution Order of Psychologists of the Liguria Region
- Qualification obtained **Registration in the Order n. 1002**
- **Date** **14.09.2009**
 - Name and type of educational or training institution **Four-year Specialization School in Cognitive and Behavioral Psychotherapy** recognized by MIUR with Ministerial Decree 20/03/1988 and subsequent Ministerial Decrees 25/05/2001
- Qualification obtained **Specialization Diploma in Cognitive-Behavioral Psychotherapy** (grade 50/50 with honors)

PERSONAL SKILLS AND COMPETENCES

FIRST LANGUAGE

ITALIAN

OTHER LANGUAGES

FRENCH

- Reading ability good
- Writing skills good
- Oral expression skills good

ENGLISH

- Reading ability
- Writing skills
- Oral expression skills

good
Good
Sufficient

SKILLS AND COMPETENCES RELATIONAL

Skills related to active listening, effective communication and reading and management of individual mentalization skills and group dynamics learned both through university education and through various experiences of coordination and management of complex projects. For example, formation and management of parent-training.

ORGANIZATIONAL SKILLS AND COMPETENCES

Skills in the field of organizational project management and coordination of work groups.

This type of skill has been acquired through training and various coordination experiences (development of rehabilitation projects and management of multidisciplinary intervention teams in the field of e.g. learning disabilities, autism spectrum disorders, etc.), formulation and management of network projects (school, family, public and private rehabilitation facilities).

TECHNICAL SKILLS AND COMPETENCES

Good skills in the use of :

- Windows operating system and Word, Excel, Access, Power point applications.
- Internet
- video camera and use of video editing programs (e.g. Pinnacle), creating sequences, visual scripts (used for therapeutic and/or scientific purposes -> training/research e.g. in Autism Spectrum Disorders).

Good experience in using scientific libraries online (e.g. Pubmed)

MORE INFORMATION

MAIN INTERNSHIPS AND/OR CLINICAL-SCIENTIFIC TRAINING COURSES

- From 22/09/88 to 22/09/89 attendance of laboratories at the Department of Psychology of Development and Socialization Processes, University of Rome "La Sapienza".
- From 01/03/91 to 29/02/92 attendance at the Division of Child Neuropsychiatry at the Giannina Gaslini Institute in Genoa.
- In March 1992, training course on neuropsychological techniques (in particular on the Halstead-Reitan Test Battery) at the Institute of Child Neuropsychiatry of the University of Milan.
- From 20/09/93 to 30/09/93 attendance at the Neuropsychology Laboratory coordinated by Dr. Daria Riva, at the Division of Child Neuropsychiatry, National Neurological Institute "Carlo Besta" in Milan.
- From 01/08/1994 to 31/08/1994 refresher course on computerized neuropsychological investigation techniques at the Department of Clinical Neurophysiology of the Maudsley Hospital in London. Tutor: prof. C.D.Binnie.
- From 4 to 6/3/96 participation in the VIII Refresher Course in Child Neurology "Localization of Brain Lesions and Developmental Functions", which took place in Assisi.
- Days of the Society of Cognitive Psychophysiology. Tours.

- Workshop "Tools for assessing psychological development in early and late childhood" Rome
- Seminar "Application of computer science in the field of neurology" Rome
- Symposium "Communication in human pathology" Genoa
- Participation in the International Congress "Autism, research and future perspectives" Naples, 1-2 December 2000.
- Participation in the XV Refresher Course: Autism and perverse developmental disorders. Assisi 19-21 March 2003.
- Participation in the ADOS Training (Autism Diagnostic Observation Schedale Rome, 3-5 June 2004 – Teacher Catherine Corsello Associate Director of the University of Michigan Autism and Communication Disorder Center (UMACC), Ann Arbor.
- Participation in the 4th International fMRI Meeting and Autumn School and Brain Voyager Course. Sorrento, 12-14 November 2004.
- Participation in the E.C.M. Event, "Autism, developmental disorders and Exchange and development therapy" organized by S.I.S.P., StarHotel President, Genoa, 3-4 March 2006 - teacher: C. Barthelemy.
- Participation in the "Truffle Training: Introduction, detailed administration, scoring and live practice Bayley Scales of Infant & Toddler Development III", IRCCS Stella Maris, University of Pisa, 14-15 October 2006; teachers: Marlow & Samantha Johnson.
- Participation in the "Training course on autism and other developmental disorders: Collaboration between parents and parent training" (n° 19 hours), Genoa, 18-19-20 September 2008, (ECM accredited course, 13 credits).
- Participation in the training event: "TIC disorders, Tourette's disease and PANDAS: from pathogenesis to clinic", Genoa, 9 February 2009, (ECM accredited course, 5 credits).
- Participation in the "Residential Course entitled: "The assessment of skills in children with autism and other pervasive developmental disorders: the use of PEP-3" (n° 18 hours of training), Genoa, 19-20-21 September 2009 (Course accredited by E.C.M., 16 credits).
- Participation in the training course "Introduction to Marte Meo" Observation method in pervasive developmental disorders. Conductor Dr. Inger Hartelius. Genoa, 20-21 June 2009.
- Participation in the Training CDR System Task Battery, United BioSource Corporation (UBC) Rome, 7 July 2010.
- Participation in the "Course entitled: "Diagnostic observation of autism: the ADI-R and the ADOS", International Center for Studies and Training "Germana Gaslini", Genoa 17-21-22 January 2011 (Course accredited by E.C.M. E.C.M.).
- Participation in the Workshop "From DSM IV-TR to DSM 5 – Clinical Applications" held by prof. F. Rovetto. CISEF-International Center for Studies and Training "Germana Gaslini", Genoa 22-23 March 2014 (Course accredited 20 E.C.M. credits).
- Participation in the XXIII AIRIPA National Congress. LEARNING DISORDERS, Lucca, 24-25 October 2014.
- Participation in the Seminar: The rehabilitation of Specific Learning Disorder, held by prof. C. Cornoldi, Headquarters of the Psychologists' Register, Genoa, January 10, 2015.

- Participation in the training course on Cognitive Affective Education (introduction to the use of the Kat-Kit tool) Genoa, PHILOS Counseling Academy, February 1, 2015.
- Participation in the Conference BES and DSA from diagnosis to intervention: problems, regulatory and organizational perspectives, Genoa Auditorum ITTL Nautico San Giorgio/Calata Darsena, Genoa, (4 hours) May 13, 2016.
- Participation in the residential ECM training event "Update days on the use of tools in clinical developmental psychology", March 17-18, 2017, Centro San Domenico, Bologna.
- Participation in the XVI Scientific Day "Learning mathematics: psychological processes and teaching strategies", Genova Polo M.T. Bozzo, January 28, 2022 (in person and remotely, 9:30-17:00, 7 hours).
- Participation in the Webinar "The new Guideline on DSA: news, updates and reflections for professional practice", Giunti Psychometrics, 3/3/2022, h. 18-19.
- Participation in the online training event (code n° 354330) called: DIGITAL TREATMENT OF OBSESSIVE - COMPULSIVE DISORDER IN YOUTH, June 11, 2022, 10 E.C.M. Training Credits
- Participation in the training event (code n° 345963) "UPDATE DAYS ON THE USE OF TOOLS IN DEVELOPMENTAL CLINICAL PSYCHOLOGY", held at the publishing company Il Mulino in FAD, from 4/3/2022 to 5/3/2022, 24 training credits.
- Participation in the conference "FROM THE WHITE PAPER TO CLINICAL PRACTICE: THE NEW GUIDELINE FOR DSA", March 26, 9-18, In person and live streaming, Faculty of Medicine and Psychology of the Sapienza University of Rome, via dei Marsi 78 (Name of Sapienza contact person: Rosario De Tora; email: rosario.detora@uniroma1.it).
- Participation in the online course (50 ECM training credits; code no. 367726) on Guidelines and Scientific Evidence in Psychotherapy: 10/11/2022, 17/11/2022, 24/11/2022, 07/12/2022, 15/12/2022, 22/12/2022, Clinical Psychology Center, Pescara.
- Participation in the online training event (code no. 379640) called: "Parent Training and ACT: the difficult parental experience", 27/03/2023; 10 E.C.M. Training Credits
- Participation in the webinar "WISC –V. THE MAIN NEW FEATURES OF THE 5TH ITALIAN EDITION OF THE WECHSLER INTELLIGENCE SCALE FOR CHILDREN", 02/21/2024, Teachers: Lina Pezzuti, Margherita Lang, Daniela Traficante; 1-Hour Online Course (5:30-6:30 pm), Psicologia.io/Giunti Psicologia.

TEACHING

- **Contract Professor** (from the Academic Year 2000-2001 to the Academic Year 2009-2010) of the official course of "Clinical Neuropsychology of Developmental Age" of the Integrated Course of Neuropsychology and Neuropsychological Rehabilitation" of the Degree Course in Physiotherapy III° Year (Pietra Ligure, Chiavari, La Spezia Campuses).
- **Contract Professor** (from the Academic Year 2001-2002 to 2012/2013) of the Integrative Course of Neuropsychology (Child Neuropsychiatry), School of Specialization in Child Neuropsychiatry (5th Year).

- **Contract Professor** (from the Academic Year 2016-2017 to date) of the official course of "Clinical Neuropsychology of Developmental Age" of the Integrative Course of Neuropsychology and Neuropsychological Rehabilitation" of the Degree Course in Physiotherapy III° Year, Genoa Campus (10 hours 1 CFU).
- **Contract Professor** of the Integrative Course in Neuropsychology (Clinical Psychology), School of Specialization in Child Neuropsychiatry (2nd Year).
- **Contract Professor** (from the Academic Year 2001-2002 to the Academic Year 2022-2023) of the official teaching of "Neuropsychology of Developmental Age" of the Integrated Course of Applied Neurosciences I, of the 2nd semester/2nd year of the Degree Course in Speech Therapy (20 hours/2 CFU); out of 20 hours per semester, 6 hours per semester were dedicated to the evaluation and rehabilitation of DSA.
- **Contract Professor** (Academic Year 2010-2011) of the Course "Psychology of Developmental Age" integrative of the official teaching of "Psychology of Developmental Age", of the 1st semester/1st year of the Degree Course in Neuro and Psychomotor Therapy (10 hours 1 CFU).
- **Contract Professor** (Academic Year 2010-2011) of the Course "Clinical Psychology" integrated with the official teaching of "Clinical Psychology", of the 2nd semester/1st year of the Degree Course in Neuro and Psychomotor Therapy (10 hours 1 CFU).
- **Contract Professor** (Academic Year 2016-2017 to date) of the teaching "Child Neuropsychiatry - Principles of Development" of the integrated course "Nursing, Kinesiology, General Rehabilitation in Developmental Age", of the 1st semester/1st year of the Degree Course in Neuro and Psychomotor Therapy (10 hours 1 CFU).
- **Contract Professor** (Academic Year 2012-2013 to date) of the teaching "Clinical Psychology - Developmental Neuropsychology" of the integrated course Applied Neurosciences I, of the official teaching of "Child Neuropsychiatry and Neuropsychology", of the 2nd semester/2nd year of the Degree Course in Neuro and Psychomotor Therapy (10 hours 1 CFU).
- **Contract Professor** (Academic Year 2012-2013 to date) of the course "Clinical Psychology – Cognitive Neuropsychological and Neurolinguistic Rehabilitation", included in the Integrated Course Developmental Rehabilitation Sciences II (of which the undersigned is president and coordinator), of the 1st semester/3rd year of the Degree Course in Neuro and Psychomotor Therapy (TNPEE), 10 hours 1 CFU.
- **Contract Professor** (Academic Year 2006-2007) of the Course "Neuropsychology of Developmental Age", Special Training Project - Health Professions, Degree Course in Speech Therapy
- **Teacher at the Miller Institute for the teaching of "Neuropsychology of Developmental Age"**: Four-year School of Specialization in Cognitive and Behavioral Psychotherapy recognized by the MIUR with Ministerial Decree 20/03/1988 and subsequent Ministerial Decree 25/05/2001; Genoa and Florence locations.

- **Teacher, at the Special Organizations of Florence** (academic year 2005-2014), for the teaching of the "Griffiths Scales of Mental Development".

- Inclusion in the list of external teachers of the USL company of Reggio Emilia for the assignment of teaching assignments (2014-2015-2017).

In the context of the aforementioned teaching activities, she participated as a member of various State Examination and Thesis Discussion Commissions, she followed the development of theses, where she was supervisor, for the Degree in Speech Therapy and Neuro and Psychomotor Skills.

OTHER

- In the years 1992-1994, exercise of psychotherapeutic activity, under strict supervision, as a contract-scholarship holder or PhD student at the Operative Unit and Chair of Child Neuropsychiatry (G. Gaslini Institute), in the field of research relating to the use of phenomenological and/or cognitive-behavioral methodology in Developmental Psychiatry.

Teacher (on Zoom platform) at the 2nd year of Specialization at Miller (Genoa Campus, on October 10, 2020, 9 am - 6 pm -> 8 hours), DSA Assessment (Clinical Psychodiagnostics 1).

Teacher (on Zoom platform) at the 2nd year of Specialization at Miller (Genoa Campus, on October 11, 2020, 9 am - 6 pm -> 8 hours), Developmental Neuropsychology (Psychopathology).

Teacher (on Meet platform; 6 hours) at the training course "AUTISTIC SPECTRUM DISORDER IN THE SCHOOL CONTEXT: STRATEGIES AND TOOLS", November 23, December 2/ 14/ 21, 2020. I.C. Statale Genova-Quarto.

Teacher at the Master in CLINICAL NEUROPSYCHOLOGY - ONLINE; -first edition -> May 23, 2021 (5 hours and 30 minutes)

-second edition -> July 7, 2021 (5 hours and 30 minutes), organized by the Istituto Il Miller with the following intervention: Rehabilitation of specific reading, writing and calculation disorders, in partnership with Dr. P. Pyrovolaki.

Teacher (on Zoom platform) in the 2nd year of Specialization at Miller (Genoa Campus, on April 9, 2022, 9 am - 6 pm -> 8 hours), DSA Assessment.

Teacher (on Zoom platform) in the 2nd year of Specialization at Miller (Genoa Campus, on April 10, 2022, 9 am - 6 pm -> 8 hours), Developmental Neuropsychology.

Speaker at the Seminar and Laboratory "Sintonie" AA 2021/2022, organized by the "Niccolò Paganini" Conservatory and the DINOGMI Department.

Speaker at the Conference "Music therapy and integrated disciplines in the approach to hospitalized children", IRCCS G. Gaslini, 05/14/2022.

Speaker at the training "Autism Spectrum Disorders (ASD) concept of comorbidity and Specific Learning Disorders (SLD)", DSA Group, Ligurian Register of Psychologists, 2 hours, 05/16/2022.

- Teacher at the Master in Clinical Neuropsychology, organized by the Istituto Il Miller, with the following intervention: Rehabilitation of specific reading, writing and calculation disorders, in partnership with the log. Dr. P. Pyrovolaki, 12/18/ 2022 (Online), 8:45-14:15 (5 hours and 30 minutes), 10 ECM credits.

Teacher (in presence) at the 2nd year of Specialization at the Miller (Genoa Campus, on 5/7/ 2023, 9-18 -> 8 hours), DSA Assessment.

Teacher (in presence) at the 2nd year of Specialization at the Miller (Genoa Campus, on 7/2/2023, 9-18 -> 8 hours), Developmental Neuropsychology.

Teacher (online) in the 2nd year of Specialization at Miller (Florence Campus, on 15/7/2023, 9 am - 6 pm -> 8 hours), DSA Assessment.

Teacher (online) in the 2nd year of Specialization at Miller (Florence Campus, on 16/7/2023, 9 am - 6 pm -> 8 hours), Developmental Neuropsychology.

Teacher (in attendance) in the 2nd year of Specialization at Miller (Florence Campus, on 17/2/2024, 9 am - 6 pm -> 8 hours), Developmental Neuropsychology.

Teacher (in attendance) in the 2nd year of Specialization at Miller (Florence Campus, on 18/2/2024, 9 am - 6 pm -> 8 hours), DSA Assessment.

Teacher (in attendance) in the 2nd year of Specialization at Miller (Genoa Campus, on 3/3 2024, 9 am - 6 pm -> 8 hours), "Developmental Neuropsychology".

Teacher (in attendance) in the 2nd year of Specialization at Miller (Genoa Campus, on 13/4/2024, 9 am - 6 pm -> 8 hours), DSA Assessment.

Teacher (in attendance) in the 2nd year of Specialization at Miller (Florence Campus, on 22/2/2025, 9 am - 6 pm -> 8 hours), Developmental Neuropsychology.

Single teacher for the training Neuropsychology of Specific Learning Disorders (DSA): neuropsychological development and functioning and intervention in the school environment, at IC Campomorone (3, 16 and 30 October 2025)

Teacher (in attendance) in the 2nd year of Specialization at Miller (Florence Campus, on 23/2/2025, 9 am - 6 pm -> 8 hours), DSA Assessment.

Teacher (in attendance) in the 2nd year of Specialization at Miller (Genoa Campus, on 8/2/2025, 9 am - 6 pm -> 8 hours), "Developmental Neuropsychology".

Teacher (in presence) in the 2nd year of Specialization at Miller (Genoa location, on 22/3/2025, 9 am - 6 pm -> 8 hours), DSA Assessment.
