

# Lorenza Pastorino

Associate Professor

## EDUCATION AND TRAINING

April 7, 1998

**Master's Degree in Biology** (110/110 cum laude)

University of Genoa

November 20, 2003

**Specialization in Medical Genetics** (50/50 cum laude)

University of Genoa

April 4, 2007

**PhD in "Growth Sciences: Genetics, Biodiversity and Auxopathology"**

Specialization: Biology and Genetics – Cycle XIX – University of Genoa

## PROFESSIONAL HISTORY

January 1, 2007 – December 31, 2020

**Permanent position as Graduate Technician** (category D3) at the University of Genoa,  
Department of Internal Medicine and Medical Specialties (DiMI).

January 1, 2021 – December 31, 2023

**Researcher (RTDB)** in the sector 05/F1 - Applied Biology, scientific-disciplinary sector -  
05/BIOS-10 - Applied Biology

## TITLES

**2019–present:** Member of the Editorial Board of *Cancers* journal

**2021:** Invited Guest Editor for the special issue "*Molecular Genetics of Pancreatic Cancer and Translational Challenges*" in *Cancers*

### CONSORTIUM MEMBERSHIPS

2004–present: **Member of the international melanoma genetics consortium *GenoMEL***

2011–present: **Member of *BioGenoMEL*, a consortium derived from *GenoMEL* focused on melanoma biology and genetics**

2017–present: **Member of the *MelaNostrum* Consortium**

### SCIENTIFIC SOCIETIES

**2004–present:** Member of the Italian Society of Human Genetics (SIGU)

**2008–present:** Member of the Italian Melanoma Intergroup (IMI)

**2019–present:** Member of the Italian Association of Biology and Genetics (AIBG)

**2019–present:** Member of the SIGU Molecular Genetics Working Group

**2022–present:** Member of the Italian Association for Tumor Familiarity and Heredity (AIFET)
