europass Curriculum vitae

PERSONAL INFORMATION Paolo Durando

WORK EXPERIENCE

2002–2006 **Secretary-Treasurer Section of Liguria Region**

Italian Society of Hygiene, Preventive Medicine and Public Health (SItI) (Italy)

Scientific advice and research activities in the field of the epidemiology, surveillance and prevention of communicable infectious diseases.

2004–2011 **Researcher of Hygiene, Preventive Medicine and Public Health**

Department of Health Sciences of the University of Genoa (Italy)

(i) Clinical trials investigating the safety, immunogenicity and efficacy of vaccines;

(ii) Epidemiology, surveillance and prevention of community-acquired infectious diseases and healthcare associated infections.

2005–2006 **Regional Delegate at the National Executive Council for the Liguria section**

Italian Society of Hygiene, Preventive Medicine and Public Health (SItI) (Italy)

Scientific advice and research activities in the field of the epidemiology, surveillance and prevention of communicable infectious diseases.

2006–December 2014 **Medical Doctor, Specialist of Hygiene and Preventive Medicine**

IRCCS AOU San Martino - IST Teaching Hospital of Genoa (Italy)

(i) Head of the Vaccine and Clinical Trials Unit of the Hygiene Unit

(ii) Assistant Quality Assurance Manager of the Hygiene Unit

(iii) Member of the Laboratory staff of the Hygiene Unit and of the Community Medicine Unit

(iv) Member of the Working Group of the Nosocomial Infections Committee

(v) Supervisor the Hospital sterilization service.

2007–December 2014 **Member**

Working Group of the Nosocomial Infections Committee of the Liguria Region (Italy)

Scientific advice and coordinating activities for the surveillance and control of healthcare associated infections.

2007–Present **Member of the Scientific Committee**

Scientific Committee of the Interuniversity Research Centre on Influenza and other Communicable Infections (CIRI-IT) (Italy)

Scientific advice and coordinating activities for the surveillance and control of acute respiratory viral and bacterial infections.

2007–Present **Member of the Clinical Risk Management Working Group**

IRCCS Polyclinic Hospital San Martino of Genoa (Italy)

2009–2010 **Member of the Regional Commission on the appropriate use of antibiotics**

Liguria Region (Italy)

Scientific advice in the field of appropriateness of prescribing antibiotics.

2010–2010 **Consultant**

European Medicines Agency (Italy)

Scientific advice in the field of influenza vaccines.

2010–2014 **Member**

Pfizer and Sanofi Pasteur MSD (Italy)

Scientific advice in the field of influenza and pneumococcal vaccines.

2011–2014 **Secretary-Treasurer and Member of the Regional Executive Council of the Liguria Region**

Italian Society of Hygiene, Preventive Medicine and Public Health (SItI) (Italy)

Scientific advice and research activities in the field of the epidemiology, surveillance and prevention of communicable infectious diseases.

2011–Present **Permanent member of the International Advisory Board**

World Congress on Vaccines, Immunization & Immunotherapy (WCVII) (Italy)

2012–2014 **Member of the regional Vaccine Vigilance Working Group**

Liguria Region (Italy)

Scientific advice and research activities for the surveillance of vaccines safety and tolerability.

2012–Present **Member of the National Working Group on Ostreopsis Ovata algal poisonings**

Italian Ministry of Health (Italy)

Scientific advice and research activities in the field of the surveillance and prevention of Ostreopsis Ovata algal poisonings affecting human health.

2013–2015 **Delegate of the Liguria Region**

Italian Multidisciplinary Society for the Prevention of Infection in Health-Care Organizations (SIMPIOS) (Italy)

Scientific advice and research activities in the field of the epidemiology, surveillance and prevention of health-care associated infections.

2013–2018 **President of the Master's degree in Nursing and Midwifery Sciences Course**

University of Genoa (Italy)

Coordination of the teaching and learning activities.

2013–Present **EMA Expert for the Scientific Advisory Group on Vaccines (SAG-V) - Influenza Vaccines Guidelines**

European Medicines Agency (Italy)

2013–Present **Director of the School of Specialization in Occupational Medicine**

University of Genoa (Italy)

Coordination of the teaching, medical and scientific activities.

2015–Present **Chief of the University Occupational Medicine Unit**

IRCCS Polyclinic Hospital San Martino of Genoa (Italy)

Surveillance of the health status of the employees of the University of Genoa working at the IRCCS Polyclinic Hospital San Martino of Genoa.

© European Union, 2002-2018 | http://europass.cedefop.europa.eu

2016–Present
Medical Coordinator
University of Genoa (Italy)

2016–Present
Scientific Director of courses
University of Genoa (Italy)

Scientific Director of the courses “General training in health and safety in the workplace" and “Specific risks in the healthcare setting”

2018–Present
Member of the National Governing Council
Italian Society of Occupational Medicine (SIML) (Italy)

2018–Present
Coordinator of the Bachelor's Degree in Occupational and Environmental Prevention Technician (TPALL - Tecniche della Prevenzione nell'Ambiente e nei Luoghi di Lavoro)
University of Genoa (Italy)

Coordination of the teaching and learning activities.

EDUCATION AND TRAINING

1987–1992
Scientific High School
Liceo scientifico A. Pacinotti (Italy)

1993–1999
Degree in Medicine and Surgery
University of Genoa (Italy)

1999–2003
Specialisation in Hygiene and Preventive Medicine
University of Genoa (Italy)

2001–2001
Advanced Course in Vaccinology
University of Florence (Italy)

2004–2011
Medical Researcher in Hygiene, Preventive Medicine and Public Health at the Medical and Pharmaceutical School
University of Genoa (Italy)

Teaching and research activities.

2008–Present
PhD in Clinical Immunology, Vaccinology, and Organ Transplantation (address: Vaccine Prevention).
University of Genoa (Italy)

Teaching and research activities.

2012–2014
Associate Professor of Hygiene, Preventive Medicine and Public Health at the Medical and Pharmaceutical School
University of Genoa (Italy)

Teaching and research activities.

December 2014–Present
Associate Professor of Occupational Medicine

University of Genoa (Italy)

Teaching and research activities.

ADDITIONAL INFORMATION

Expertise

Professor Durando's scientific interests are focused mainly on the epidemiology and prevention of vaccine-preventable diseases (eg, influenza, pneumococcal and meningococcal infections, HPV infection, varicella, Herpes zoster and rotavirus infections) and on the surveillance and control of health-care associated infections.

More recently he focused on occupational medicine, particularly for the items related to the surveillance and control of the biological risk in the healthcare setting. He has published over 110 full-length articles in a number of scientific international journals (see section Publications), with an H-Index of 24 and 1782 total citations, according to http://www.scopus.com (last access: 18 December 2018).

In addition, Prof. Durando is the author of numerous abstracts published in the records of national and international congresses, conventions and conferences in which he has taken part, often as a speaker; he is also co-author of several book chapters and technical data-sheets.

He joins the Editorial Board of the following scientific journals: BioMed Research International, Journal of Preventive Medicine and Hygiene, La Medicina del Lavoro (Italian Journal of Occupational Health and Industrial Hygiene), Il Giornale Italiano di Medicina del Lavoro ed Ergonomia (GIMLE).

He is on the Review Board of a number of renowned, international journals, such as Journal of Preventive Medicine and Hygiene, International Journal of Environmental Research and Public Health, BMC Infectious Diseases, BMC Public Health, British Journal of Cancer, European Journal of Public Health, Expert Review of Vaccines, Immunity & Ageing, Journal of the American Medical Association, Plos One, Respiratory Medicine, The BMJ, and Vaccine.

Projects

Professor Durando was the Principal investigator and the Sub-investigator of clinical trials for the evaluation of the safety, immunogenicity and efficacy of several investigational vaccines.

Specifically in recent years, he participated:

As Principal investigator:

Since 2014 to 2015: Clinical trial Bexsero (sponsor Novartis);

Since 2012 to 2014: Clinical trial PriorixTetra - Meningitec (sponsor GSK);

Since 2011 to 2015: Clinical trial Cervarix (sponsor GSK).

As Sub-investigator:

Period 2014-2015: Clinical trial Quadrivalent Influenza Vaccine (sponsor Sanofi Pasteur MSD)

Period 2014-2015: Clinical trial Quadrivalent Influenza Vaccine (sponsor Novartis)

Period 2013-2015: Clinical trial RLP2086 MenB vaccine (sponsor Pfizer)

Period 2013-2014: Clinical trial Optaflu (sponsor Novartis)

Period 2012-2013: Clinical trial Inflexal-V (sponsor Crucell)

Period 2011-2012: Clinical trial Infanrix Hexa - V419 vaccine (sponsor Sanofi Pasteur MSD)

Period 2011-2012: Clinical trial gE(AS01B) Zoster vaccine (sponsor GSK)

Period 2010-2012: Observational study monitoring invasive diseases, pneumonia and acute otitis media by Streptococcus pneumoniae (sponsor Pfizer)

Period 2010-2012: Clinical trials Intanza (sponsor Sanofi Pasteur MSD)

Period 2009-2010: Clinical trial 9-valent HPV vaccine - Gardasil (sponsor Sanofi Pasteur MSD)

Period 2009-2010: Clinical trial Boostrix-IPV/Tetravac (sponsor GSK)

Memberships

Professor Durando joins the Editorial Board of the following scientific journals: BioMed Research International, Journal of Preventive Medicine and Hygiene, La Medicina del Lavoro (Italian Journal of Occupational Health and Industrial Hygiene), Il Giornale Italiano di Medicina del Lavoro ed Ergonomia (GIMLE).

He is on the Review Board of a number of renowned, international journals, such as Journal of Preventive Medicine and Hygiene, International Journal of Environmental Research and Public Health, BMC Infectious Diseases, BMC Public Health, British Journal of Cancer, European Journal of Public Health, Expert Review of Vaccines, Immunity & Ageing, Journal of the American Medical Association, Plos One, Respiratory Medicine, The BMJ, and Vaccine.

From 2002 to 2006, Professor Durando was the Regional Delegate at the National Executive Council for the Liguria section of the Italian Society of Hygiene, Preventive Medicine and Public Health (SItI).

From 2005 to 2006, he was Regional Delegate at the National Executive Council for the Liguria section of the Italian Society of Hygiene, Preventive Medicine and Public Health (SItI).

During the period 2011-2012, he was Secretary-Treasurer and Member of the Regional Executive Council for the Liguria section of the Italian Society of Hygiene, Preventive Medicine and Public Health (SItI), and he has been confirmed for the biennium 2013-2014.

Since 2007 to date, he has been member of the:

- Scientific Committee of the Interuniversity Research Centre on Influenza and other Communicable Infections (CIRI-IT);

- Working Group of the Nosocomial Infections Committee of the Liguria Region, Italy.

From 2009 to 2010, he was Member of the Regional Commission on the appropriate use of antibiotics for the Liguria Region, Italy.

Since 2012 to date, he has been member of the:

- National Working Group on Ostreopsis Ovata algal poisonings;

- Vaccine Vigilance Working Group of Liguria Region, Italy.

During the last few years, he has worked as a consultant in the field of vaccines for the European Medicines Agency (EMA) and for the Italian Drug Agency (AIFA). Since 2013, he is member of the Scientific Advisory Group on Influenza Vaccines of the European Medicines Agency (EMA).

For 2013-2015, he was the Regional Delegate for the region of Liguria of the Italian Multidisciplinary Society for the Prevention of Infection in Health-Care Organizations (SIMPIOS).

From 2018, he is an elected Member of the National Governing Council of the Italian Society of Occupational Medicine (SIML), and Member of the Scientific Board of the scientific publication Giornale Italiano di Medicina del Lavoro ed Ergonomia (GIMLE).
