

## Luca Mastracci

Full Professor

### EDUCATION AND TRAINING

1995

**Degree in Medicine and Surgery**

University of Pavia

1999

**Specialty Diploma in Pathological Anatomy**

University of Genova

### PROFESSIONAL HISTORY

2001-2018

**Ricercatore confermato a tempo indeterminato**

Ricerca in ambito gastro-enterologico; docenza in Anatomia Patologica per la Facoltà di Medicina e Chirurgia (corsi di laurea in Medicina e Chirurgia, Tecnico di laboratorio biomedico, Scienze infermieristiche; Podologia)

University of Genova

2018-2023

**Associate Professor**

Gastroenterology research; teaching of Pathological Anatomy for the Faculty of Medicine and Surgery (degree courses in Medicine and Surgery, Biomedical Laboratory Technician, Nursing Sciences; Physiotherapy)

University of Genova

2023-

**Full professor**

Gastroenterology research; teaching of Pathological Anatomy for the Faculty of Medicine and Surgery (degree courses in Medicine and Surgery, Biomedical Laboratory Technician, Nursing Sciences; Physiotherapy)

University of Genova

### ACADEMIC APPOINTMENTS

2024-

**President of the Degree Course in Biomedical Laboratory Techniques**

Università degli Studi di Genova

2024-

**Deputy Director of the Department of Surgical Sciences and Integrated Diagnostics (DISC)**

University of Genova

## EXPERIENCE

*[The following are subsections]*

### MAIN SEMINARS

[16/02/2022](#) The evaluation of microsatellite instability in the mCRC

Scientific Responsible

[30/06/2022](#) The border between benign and malignant X Course - Roma

Scientific Committee

[10-23/05/2023](#) New histopathological and molecular horizons in gastrointestinal oncology

Scientific Responsible

[18-20/05/2023](#) The border between benign and malignant XI Course - Roma

Scientific Committee

[4-25/06/2023](#) Practical approach to the histopathological evaluation of endoscopic gastroesophageal biopsy in adults

Scientific Responsible

[1-3/10/2024](#) The border between benign and malignant XII Course - Sorrento

Scientific committee

[4/11/2024](#) Eosinophilic esophagitis: a practical approach to histopathological diagnosis and reporting

Scientific Responsible

[17/12/2024](#) A practical approach to the histopathological and molecular evaluation of neoplastic colorectal biopsy

Scientific Responsible

[11/03/2025](#) Gastrointestinal pathologies: theoretical and practical course. Genova

Scientific Responsible

[18/03/2025](#) Gastrointestinal pathologies: theoretical and practical course. Bari

Scientific Responsible

[15-05/18/12/2025](#) PD-L1 in esophageal and gastric carcinomas: a practical approach to gastrointestinal assessment

Scientific Responsible

[22-23/05/2025](#) VI National SISME Congress

Master's Lecture: Molecular characterization of esophagogastric tumors

[02/07/2025](#) Precision oncology in gastroesophageal adenocarcinoma: the role of tissue sampling in accessing targeted drugs. Pisa

Scientific Responsible

### TEACHING OR RESEARCH POSITIONS (FELLOWSHIPS) AT FOREIGN UNIVERSITIES AND RESEARCH INSTITUTES

[2008-2015](#) Professor of the PhD program entitled: "Oncological genetics and differentiation biology"

University of Genova

[dal 2014](#) Professor of the PhD program entitled: "Doctorate in Translational Medicine in Oncology and Hematology"

University of Genova

EDITORSHIP OR PARTICIPATION IN EDITORIAL BOARDS OF JOURNALS, PUBLISHING SERIES,  
ENCYCLOPAEDIAS AND TREATISES

**2019-** Associate Editor for Frontiers in Medicine

Chief Editor Prof Michel Goldman (Université libre de Bruxelles, Belgium)

**2015-** Editorial board di World Journal of Gastroenterolgy

Baishideng Publishing Group

OTHER EXPERIENCES

**2000-** Author of over 220 articles in international peer-reviewed journals

H Index 39; citations <4550
