2001 Social research methodology | University of Turin.
2002 Social Research Methodology | Catholic University, Milan - Piacenza.
2003 Social Research Methodology | Catholic University, Milan - Piacenza.

SEMINARS AND SHORT COURSES EXPERIENCE IN MASTERS AND PH.D. SCHOOLS:

2022 Introduction to quantitative social research | Ph.D. School in Social Sciences, University of Genoa.
2022 Data analysis: univariate level | Master's Degree in Methodology and Techniques for social research, Sapienza – University of Rome.
2022 (with F. Martire), Intermediate exercise: designing, testing and conducting the interview with questionnaire | Master's Degree in Methodology and Techniques for social research, Sapienza – University of Rome.
2022 (with F. Martire), Advanced strategies for designing, testing and conducting the questionnaire interview | Master's Degree in Methodology and Techniques for social research, Sapienza – University of Rome.
2021 W.E.B. Du Bois and the birth of sociology in the USA | Ph.D. School in Social Sciences, University of Genoa.
2021 Introduction to quantitative social research | Ph.D. School in Social Sciences, University of Genoa.
2021 Data analysis: univariate level | Master's Degree in Methodology and Techniques for social research, Sapienza – University of Rome.
2021 Algorithms in social and control policies | Ph.D. School in Social Sciences, University of Genoa.
2021 (with F. Martire), Intermediate exercise: designing, testing and conducting the interview with questionnaire | Master's Degree in Methodology and Techniques for social research, Sapienza – University of Rome.
2021 (with F. Martire), Advanced strategies for designing, testing and conducting the questionnaire interview | Master's Degree in Methodology and Techniques for social research, Sapienza – University of Rome.
2020 Introduction to quantitative social research | Ph.D. School in Social Sciences, University of Genoa.
2020 Credibility in (and of) social research | Ph.D. School in Social Sciences, University of Genoa.
2020 Big data and social resarch (in Spanish) | Curso Internacional "Problemas metodológicos y construcción de conocimiento científico-social", Red de Posgrados de Consejo Latinoamericano de Ciencias Sociales (CLACSO).
2019 Social indicators and transnational research (in Spanish) | Escuela Internacional de Verano "Desarrollo humano para todos: las ciencias sociales en diálogo por sociedades inclusivas", 9-12 de enero 2019, Santiago y Cunaco (VI Región), Chile.
2019 Social indicators and comparative research | Ph.D. School in Social Sciences, University of Genoa.
2019 Introduction to quantitative social research | Ph.D. School in Social Sciences, University of Genoa.
2018 Introduction to quantitative social research | Ph.D. School in Social Sciences, University of Genoa.
2018 Indicators for a human development | Ph.D. School in Sustainable Human Development, University of Milan-Bicocca.
2017 Big data beyond the myth | Master's degree in "Big Data. Statistical Methods for the Knowledge Society", Sapienza University - Rome.
2014 Representing the text: numbers, sentences or figures? | "Giornate non standard" – School in Social research methodology, Catholic University of Milan – Brescia.
2014 Online surveys | Ph.D. School in Sociology and social research, Department of Sociology, Catholic University, Milan.
2014 Human rights in international statistics | Master in Human Rights, University of Genoa.
2013 Social indicators | Ph.D. School in Business Sciences, University of Udine.
2013 Human rights in international statistics | Master in Human Rights, University of Genoa.

2011 Univariate and bivariate statistics | Summer school in Statistic inference in biology and human sciences, co-organized by the University of Modena-Reggio Emilia - Department of Political Economy, Purdue University, Indiana (USA) - Department of statistics.

2010 Official statistics (in Spanish) | Ph.D. School in Human Sciences, Department of Political and Social Sciences.

2010 Data analysis: from data-matrix to bivariate analysis | Summer school in Statistic inference in biology and human sciences, co-organized by the University of Modena-Reggio Emilia - Department of Political Economy, Purdue University, Indiana (USA) - Department of statistics.

2010 Bivariate analysis | Ph.D. School in Sociology and Social Research, Department of Sociology, Catholic University, Milan.

2009 The use of concept maps in interview interpretation | "Giornate non standard" – School in Social research methodology, Catholic University of Milan - Brescia.

2009 Data analysis: from data-matrix to bivariate analysis | Summer school in Statistic inference in biology and human sciences, co-organized by the University of Bologna - Department of Statistical Sciences, Purdue University, Indiana (USA) - Department of statistics – and by University of California – Irvine (USA) - Department of statistics.

2008 Data analysis: from data-matrix to bivariate analysis | Summer school in Statistic inference in biology and human sciences, co-organized by the University of Bologna - Department of Statistical Sciences, Purdue University, Indiana (USA) - Department of statistics – and by University of California – Irvine (USA) - Department of statistics.

2007 Data analysis: from data-matrix to bivariate analysis | Summer school in Statistic inference in biology and human sciences, co-organized by the University of Bologna - Department of Statistical Sciences, Purdue University, Indiana (USA) - Department of statistics – and by University of California – Irvine (USA) - Department of statistics.

2006 The scales (in Spanish) | Ph.D. School in Educación superior del Departamento de Educación superior, Facultad de Ciencias sociales, Universidad de Palermo, Buenos Aires, Argentina.

2006 Social Research Methodology (in Spanish) | Ph.D. School in Educación superior, Departamento de Educación superior, Facultad de Ciencias sociales, Universidad de Palermo | Buenos Aires, Argentina.

2006 Mixed Methods | "Giornate non standard" – School in Social research methodology, Catholic University of Milan - Brescia.

2006 Data analysis: from data-matrix to bivariate analysis | Summer school in Statistic inference in biology and human sciences, co-organized by the University of Bologna - Department of Statistical Sciences, Purdue University, Indiana (USA) - Department of statistics – and by University of California – Irvine (USA) - Department of statistics.

2005 Data analysis: univariate analysis | Summer school in Statistic inference in biology and human sciences, co-organized by the University of Bologna - Department of Statistical Sciences, Purdue University, Indiana (USA) - Department of statistics – and by University of California – Irvine (USA) - Department of statistics.

2004 Data analysis: from data-matrix to bivariate analysis | Summer school in Statistic inference in biology and human sciences, co-organized by the University of Bologna - Department of Statistical Sciences, Purdue University, Indiana (USA) - Department of statistics – and by University of California – Irvine (USA) - Department of statistics.

2003 Data analysis: descriptive statistics | Summer school in Statistic inference in biology and human sciences, co-organized by the University of Bologna - Department of Statistical Sciences, Purdue University, Indiana (USA) - Department of statistics – and by University of California – Irvine (USA) - Department of statistics.
