

# Massimo Sale-Musio

Full Professor

## EDUCATION AND TRAINING

*Master's Degree of architecture*

1985

### Short description

Master's Degree of architecture: thesis dissertation on the "Refitting of the Steam Ship EUGENIO C" – 108. University of Genova - Genoa - IT

## PROFESSIONAL HISTORY

1990 - 2000

University researcher at University of Cassino - Cassino (FR) - IT – Researcher and teacher of *technical drawing* (machine drawing).

2000 - 2005

University researcher at Polytechnic of Milano - Milan - IT - Coordinator of the *Studio Lab of Design representation* at the faculty of design.

2005 - 2018

Associate professor at the University of Genova, Department of Science for Architecture (DSA). - Genoa - IT - academic in yacht and cruise vessel design – former coordinator of Master's degree program of Naval and Nautical Design.

2018 - presente

Full professor at DAD Department of Architecture and Design Genoa - IT - Coordinator of the Master's degree program of Product and Event Design.

## ACADEMIC APPOINTMENTS

*course coordinator*

2019 - 2025

### Double shift of Coordination of the Master's Degree program of Product Event Design

Formerly master's degree in design of *Product and the Event*. Founded and chaired by prof. Carlo Vannicola e, lately, by prof. Raffaella Fagnoni.

University of Genova, Department of Architecture and Design

2011 - 2017

**Double shift of Coordination of the Master's Degree program of Naval and Nautical Design**

Inter-university program managed by UniGe-PoliMi founded in 2005 e previously chaired by prof. Silvia Piardi.

University of Genova - Polytechnic of Milano, Campus of La Spezia.

2009 - 2015

**Coordination of the PhD program of NAUTICAL DESIGN for the SUSTAINABLE PRODUCT** at the

PhD School of Architecture and Design.

University of Genova.

## EXPERIENCE

*[The following are subsections]*

### MAIN SEMINARS

2001 - 2020 Teaching contributions for the Master Yacht Design

Fundamentals of Yacht Design

PoliDesign - Polytechnic of Milano

### TEACHING OR RESEARCH POSITIONS (FELLOWSHIPS) AT FOREIGN UNIVERSITIES AND RESEARCH INSTITUTES

2008 - 2020 International Exchange Experience

Yearly teaching cooperation between master's degree program of Naval and Nautical Design (UniGe) and the teaching track of CSSY Cruise Ship and Super Yacht design (FIU)

FIU Florida International University (USA)

2021 - 2024 Subject Design Lab.

Yearly teaching cooperation on the final workshop lab at the double degree of the undergraduate program of Product and Nautical Design (UniGe) and the undergraduate program of Design (BUCT, Popular republic of China).

BUCT Beijing University of Chemical Technology (PRC).

2012 - 2019 Teaching contribution at the Yacht Design Department Maltepe University

Yearly teaching cooperation at the undergraduate program of Nautical Design handled by the Turkish University of MALTEPE in Istanbul.

MALTEPE University Istanbul (TR).

2011 Sustainable Summer School

Proactive participation at the mentioned event through a presentation of University of Genova experiences on the Naval and Nautical teaching experience jointed with the participation of a working group on a sustainable design study case.

WARWICK University, WMG - Warwick Manufacturing Group (UK).

2011 Master lecture

Performing of the lecture "SEAMESHIP EVOLUTION AND DEVELOPMENT" in the occasion of the yearly graduation ceremony, in Valenciennes. An overview of industrial yacht design from WWII to nowadays. Lecture performed in English language. October 22, 2011.

INSTITUT SUPÉRIEUR DE DESIGN - Valenciennes (F).

**EDITORSHIP OR PARTICIPATION IN EDITORIAL BOARDS OF JOURNALS, PUBLISHING SERIES,  
ENCYCLOPAEDIAS AND TREATISES**

**2018 - present** - Design in Motion

Scientific head of the editorial series oriented to publications on process of research and teaching on transportation vehicles. From an idea of prof. Benedetto Inzerillo this editorial project is supported by prof. Dario Russo (UniPa).  
University of Palermo.

**PRIZES AND ACCOLADES FOR SCIENTIFIC ACTIVITY, INCLUDING MEMBERSHIP OF ACADEMIES**

**2015** Degree Award Perini Navi – Leonardo Committee, Roma. Master’s degree thesis in Naval and Nautical Design supervised by MSM arranged by Lorenzo Squadrito.

**2013** Degree Award Perini Navi – Leonardo Committee, Roma. Master’s degree thesis in Naval and Nautical Design supervised by MSM arranged by Romano Brussolo and Carlo Rotunno, ex aequo with the thesis work in Naval and Nautical Design supervised by MSM arranged by Vito Zaccaro e Filo Vicentini.

**2012** Degree Award Perini Navi – Leonardo Committee, Roma. Master’s degree thesis in Naval and Nautical Design supervised by MSM arranged by Olmo Gandolfo, Francesco dell’Isola, Volkan KumKum, Fabrizio Gariazzo.

**2011** Degree Award Perini Navi – Leonardo Committee, Roma. Master’s degree thesis in Naval and Nautical Design supervised by MSM arranged by Satya Lubatti.

**2001** International award on the design career, “Bricola d’Oro”, Aprilia Marittima.

**1986** Design Award “Suzuki Santana”, Milano.

**1982** III edition of Design Award “Ancona”, Ancona.

**1980** I edition of Design Award “AsProNaDi”, Genoa.

**1980** I edition of Design Award “Ancona”, Ancona.

**PARTICIPATION IN THE CREATION OF NEW BUSINESS ENTITIES (SPIN-OFFS), DEVELOPMENT, USE AND  
COMMERCIALISATION OF ACADEMIC PATENTS**

**2000** patent n.GE2000A000113, of September 13, 2000, inventor Massimo SALE-MUSIO.

Cockpit rudder steering wheel for sail yachts, where the wheel can be used also as a round dining table when turned on the horizontal side.
