

NICOLETTA GUGLIELMELLI

PHD CANDIDATE IN SOCIOLOGY
nicoletta.guglielmelli@edu.unige.it

PROFESSIONAL SUMMARY

During my philosophical studies I became interested in post-structuralist feminism which I used as a lens to analyze the construction of hegemonic masculinity as intersected with the paradigm of heteronormativity and whiteness. When I embarked on my PhD, I became passionate and decided to investigate the transformations of masculinities in the complex relationship with mental health within digital platforms through digital ethnography and feminist self-reflection.

EDUCATION

2021 – 2022

Master's degree in Critical Criminology
University of Padua
