## *Education and training*

1992

### **Master in Physics**

Genova University - Genova

1996

### **Ph.D. in Physics**

Genova University - Genova

## *Academic experience*

1996 - 1997

### **Post-doctoral fellow**

Université de Paris-Sud/LAL - Orsay - FR

1998 - 1999

### **Post-doctoral fellow**

Genova University - Genova

1999 - 2013

### **Assistant professor**

Genova University - Genova

2014 - ONGOING

### **Associate professor**

Genova University - Genova

## *Research interests*

B-physics (physics of the b quark) for the DELPHI experiment at LEP (1992-2003).

Combination and comparison of experimental measurements and theoretical expectations in B-physics: UTFIT collaboration (1998-present).

Track trigger, b-jet trigger, b-tagging, Higgs boson physics for ATLAS experiment at LHC (1999-present)
