

Stefano Rovetta

Associate professor

✉ stefano.rovetta@unige.it

☎ +39 010 353 6605

Education and training

1992

Laurea in Electric Engineering

Academic experience

2012 - ONGOING

Professore associato

Università di Genova

Work experience

2017 - ONGOING

Co-founder startup 'Vega Research Laboratories'

Independent position

Language skills

Italian

English

Mother tongue

Research interests

Machine learning, computational intelligence. Neural networks with application to industry, well-being technologies, robotics
