

## Massimo Verdoya

Associate professor

✉ massimo.verdoya@unige.it

☎ +39 0103538090

### *Education and training*

1992

**PhD in Geophysics**

1985

**MSc in Geological Sciences**

Full marks and honors

### *Academic experience*

2014 - ONGOING

**Associate Professor**

University of Genoa - IT

1993 - 2013

**Researcher**

University of Genoa - IT

### *Language skills*

**English**

Independent

### *Research interests*

Research fields:

- terrestrial heat-flow density
- thermal properties of rocks
- thermal modelling of lithospheric geodynamical processes
- natural radioactivity
- climate change inferred from underground temperature logs
- geophysical exploration of geothermal fields
- applied geothermics
