

Martino Tanasini

✉ 4254108@studenti.unige.it

Education and training

2020

Master in Theoretical Physics

Trackless flavour-tagging at high jet transverse momentum and its impact on the physics reach of the ATLAS experiment at LHC - 110/110

Università di Genova - Genova - IT

2018

Bachelor's in Physics

Il paradosso di Zenone in Meccanica Quantistica - 110/110 e lode

Università di Genova - GENOVA - IT

Academic experience

2020 - ONGOING

Doctoral Student

Università di Genova - Genova - IT

RD in Machine Learning algorithms for flavour tagging in ATLAS

2019

CERN Summer Student

CERN - Geneva - CH

Work experience

2016 - 2018

ENDAS Karate Instructor

Jakukai Dojo - Genova - IT

Language skills

English

Proficient

Cambridge English

Advanced (CAE)

French

Independent

Research interests

Machine Learning algorithms for flavour tagging in ATLAS
