Professional Work Experience

From March 2023	<u>University of Genoa, Italy</u> Assistant professor position funded with the project "A multiscale integrated approach to the study of the nervous system in health and disease, MNESYS" by the Ministry of University and Research (MUR), National Recovery and Resilience Plan (NRRP),
October 2021 – September 2022	<u>Network for the screening of children with developmental issues (NIDA Project, Network Italiano per il riconoscimento dei Disturbi dello Spettro Autistico) at Gaslini Children Hospital, Genoa Italy</u> Clinical and research fellow in Child Neuropsychiatry for the Child Neuropsychiatry Unit and the Neonatology Unit in the field of the neurobehavioral follow-up of children born extremely preterm or with behavioral issues.
March 2021 – June 2022	<u>Etnopsychiatrist for "Fondo Asilo, Migrazione e Integrazione (FAMI) at ASL3 Liguria territorio cittadino di Genova", Genoa Italy</u> Clinical and Research fellow for migrants' mental health
November 2021	<u>BABA (BABy Brain Activity) Center, held by Pr. S. Vanhatalo</u> Visiting research fellow
January 2020 – October 2022	<u>HÔPITAL LENVAL Nice Côte d'Azur, Nizza – Francia</u> Clinical and research fellow on Trauma and Eating Disorders, Suicidal Behaviors, and Personality disorders in children and adolescents
December 2020 – June 2021	<u>Therapeutic community for adolescents "Centro Solidarietà (CEIS)" – Genova, Italy</u> Child psychiatrist in this therapeutic community for adolescents
August 2019 – December 2019	<u>Fondazione Stella Maris – Pisa, Italy</u> Clinical fellow
March 2013 – December 2014	<u>Neonatal Intensive Care Unit, Fondazione IRCCS Ospedale Maggiore Policlinico, Mangiagalli e Regina Elena, Milan – Italy</u> Research fellow at the Neonatology Unit, in the "neurology, neuropsychiatry and neonatal development" group on "Intestinal microbiota and neurodevelopment of preterm"
October 2012 – November 2012	<u>Hospital de la Mujer Zacatecana, Zacatecas, Estado de Zacatecas – Mexico</u> Clinical fellow at the Obstetrics and Neonatology departments, medical assistance at natural delivery (cardiotocography, expulsive stage, possible episiotomy and its suture, afterbirth)
September 2011 – July 2012	<u>Casimiro Mondino Hospital, Pavia – Italy</u> Child and Adolescent Psychiatry, volunteer internship
April 2011- July 2011	<u>Sant Joan de Deu Hospital, Barcelona – Spain</u> Paediatrics and Neuropediatrics, volunteer internship
February 2011 – July 2011	<u>Clinic Hospital, Barcelona – Spain</u> Child and Adolescent Psychiatry, volunteer internship
December 2012 – January 2011	<u>Clinic Hospital, Barcelona – Spain</u> Infectious diseases, volunteer internship
October 2011 – November 2011	<u>Clinic Hospital, Barcelona – Spain</u> Neurology, volunteer internship
August 2012 – September 2011	<u>Ullevål sykehus Hospital, Oslo, Norway</u> Gynecology and Obstetrics, volunteer internship
March 2009 – June 2010	<u>Istituto di Neuroscienze Pavia, Italy</u> Neuroscience, volunteer internship

Education

February 2022 – November 2023	<u>University of Pavia, Italy</u> Second level Master Degree in Biostatistics and Applied Statistics
November 2019 – November 2023	<u>University of Genoa, Italy</u> Doctorate in Perinatal Medicine and Neonatal Neurology at Gaslini Children Hospital (Genova, Italy)
December 2014 – December 2019	<u>University of Genoa, Italy</u> Resident fellow in Child Neuropsychiatry, graduated with honours (50/50 cum laude)
February 2014 – June 2014	<u>University of Milan, Italy</u> Master Degree in Neonatology
September 2006 – July 2012	<u>University of Pavia, Italy</u> Graduated at the Medicine and Surgery School the 25 th of July 2012 with honours (110/110 cum laude). Licensed to the medical profession since March, 2013
September 2010 – July 2011	<u>Universitat de Barcelona, Barcelona, Spagna</u> Erasmus fellow
September 2007 – July 2012	<u>Ghislieri College, Pavia, Italy</u> Alumna
July 2006	<u>Liceo Classico E.Cairolì, Varese, Italy</u> High school diploma (humanities) obtained with honours (100/100)

Education, extracurricular courses

October 2021 – June 2022	Master degree on Adolescentology and psychotherapy with adolescents– Fondazione Minotauro, Padova, Italy
April 2020	<u>Associazione Italiana Medicina del Sonno (AIMS) Sleep course</u>
March 2013 – May 2013	<u>Cognitive Neuroscience</u> – lead by Stefano Cappa (MD, prof.), Iuss Pavia, Italy
November 2011 – December 2011	<u>Stem cells and regenerative medicine</u> – lead by C.A.Redì, (Biologist, prof.), Iuss Pavia - Italy
March 2011 – May 2011	<u>Medicina Psicosomatica</u> – lead by M.Valdés (MD, prof), UB, Barcelona - Spain
October 2010 – January 2011	<u>Neurology and Neuropsychology</u> – lead by Carme Junque (MD, prof) UB, Barcelona - Spain

Specific Trainings

June 2022	Neonatal Neurological Examination training at University of Milan, Italy
May 2022	Neonatal EEG course at University of Milan, Italy
November 2021	Neonatal Behavioral Assessment Scale, at Meyer Hospital, Florence, Italy
24-26 April 2021	Residential Course on Sleep, Bertinoro, Italy
23-24 March 2019	K-SADS-2 administration course by S.Vicari, Roma Italy
8-10 March 2019	ADOS-2 administration clinica course, by A.Narzisi, Milan, Italy
11-16 March 2018	Residential course on Electroneurophysiology, Gargnano, Italy
19-20 June 2017	Advances in Neuromodulation in children: Neuronal Networks, Neurophysiology and Neuroplasticity
1-2 December 2016	Epilepsy Surgery for Focal Cortical Dysplasias in the Pediatric Age - CISEF Gaslini, Genoa, Italy
2-5 October 2016	videoEEG course of Italian League against Epilepsy (LICE) – Bologna, Italy

19-20 September 2016	Bayley Scales of Infant and Toddler Development Third Edition (Bayley-III) course by Betty Hutchon – Modena, Italy
8-10 September 2016	The genetics of epileptic encephalopathies – by Fondazione Mariani and Meyer Hospital, Florence - Italy
16 September 2015	Neonatal Brain MRI – ESPR course – by Luca Antonio Ramenghi, Andrea Righini, Petra Huppi, Manon Benders, Monica Fumagalli in Budapest - Hungary
25-27 March 2015	MRI of the neonatal brain – by Manon Benders, Linda de Vries, Floris Groenendaal and Frank de Bel in Utrecht - Netherlands
19 March 2015	PBLS – Istituto Giannina Gaslini, Genova, Italy
July 2014	CFM – theoretical and practical course by Laura Bassi (MD) and Roberto DiLena (MD), Ospedale Maggiore Policlinico, Mangiagalli, Milan - Italy
June 2012	XIII Congress of the International Neuropsychanalysis Society, Athens, Greece
May 2012	SWAP200 test (Vittorio Lingiardi, MD) – qualified to perform the test
September 2011 - June 2012	Rorschach Test Exner III (A. Zennaro, MD), Mondino Hospital, Pavia - Italy – qualified to perform the test
June 2011	XII Congress of the International Neuropsychanalysis Society, Berlin, Germany

Scientific societies membership

Member of EPNS (European Pediatric Neurology Society), Neuropsychanalysis Society (NPSA), International Child Neurology Association (ICNA), European Psychiatry Association (EPA), Italian League Against Epilepsy (LICE), Italian Society for Child Neuropsychiatry (SINPIA)

Participation to Scientific Projects

Since November 2024	Co-funder member of the Italian Special Interest Group on 0-3 years
Since September 2022	ENSEMBLE-II project (European Project on prevention of Cerebral Palsy)
Since October 2020	Laura Cancedda's team on animal models of neonatal behavior
Since April 2016	Italian Network on early Visual assessment (lead by Daniela Ricci) - Collaborator
Since May 2015	Italian Study Group on Corpus Callosum Anomalies (CCA Study Group) - Collaborator
Since Jan 2015	Istituto Giannina Gaslini Stroke team member

Other experiences

May 2024	Research collaboration with the Centre de Ressources Autisme PACA and the CoBTek laboratory, Université Côte d'Azur (Child Psychiatry and Neurodevelopment axis at Lénval University Hospital, Nice, France).
March 2023	Research collaboration with the Centre de Psychotrauma PACA and the CoBTek laboratory, Université Côte d'Azur, Lénval University Hospital, Nice, France.
May 2020 – March 2023	PhD students' representative at the University of Genoa, Italy.
January 2015 – December 2019	Università di Genova Italia, residents representative
Since Sept 2018	Qualified Hatha-rajya Yoga Teacher
Sep 2011- Sep 2012	S.i.S.M. (Segretariato Italiano degli Studenti di Medicina), IFMSA local office, Pavia, Italia Local Officer Refugees and Peace assistant
Aug 2011	Child Survival of India (NGO), village of Khera Khurd, Delhi, India – medical volunteer
May 2008 – May 2010	Università di Pavia Italia, faculty representative

Languages

Italian	Mother language
English	Expert comprehension, writing, reading and speaking – Level C2
French	Intermediate comprehension, writing, reading and speaking – Level C2
Spanish	Advanced comprehension, writing, reading and speaking – Level C1
Catalan	Intermediate comprehension, writing, reading and speaking – Level A2

Speakers at congresses

Participation in over 50 conferences as an invited speaker.

Teaching experience

May 2025	Lecturer in Child Neurology and Child Psychiatry for the Physiotherapy course at the University of Genoa, Pietra Ligure campus – 20 hours.
December 2024	Teaching assignment at the II Level Master “We Care Generation” at University of Brescia, Italy
November 2024	Lecturer in Child Neuropsychology at the University of Genoa, Physical Therapy bachelor program – 20 hours teaching
May 2024	Lecturer in Child Neurology and Child Psychiatry for the Physiotherapy course at the University of Genoa, La Spezia campus – 20 hours.
April 2024	Lecturer at the School of Cognitive Studies, Genoa campus, for an 8-hour seminar on Transcultural Psychiatry.
April - May 2024	Lecturer assignment on Child Neurology and Child and Adolescent Psychiatry at the University of Genoa, Physical Therapy bachelor program – 20 hours teaching
14 April 2024	Lecturer on Transcultural psychiatry at Scuola Studi Cognitivi, Milan and Genoa, Italy – 8 hours teaching
November 2023	Lecturer at the I Level Master “Developmental Psychology” at University of Genoa, Italy – 10 hours teaching
December 2022	Lecturer at the Psychiatry residents’ course at Université Côte d’Azur (Child Psychiatry and Neurodevelopment axis at Lénval University Hospital, Nice, France).
May 2022	Lecturer in the professional training course “Child Therapist” promoted by the Liguria Region.
