## *Academic experience*

2021

### **Assistant Professor in Sociology of Communication**

#### **Processes**

University of Milan

## *Language skills*

#### **English**

Independent

#### **French**

Basic

## *Research interests*

I am interested in feminist urban theory, security theory, and social reproduction. My research project focuses on the relationship between security issues and spatialized forms of male and gender-based violence. I have written on feminist and queer urban practices and social movements.
