EDITORSHIP OR PARTICIPATION IN EDITORIAL BOARDS OF JOURNALS, PUBLISHING SERIES, ENCYCLOPAEDIAS AND TREATISES

From 2025
Member of the Editorial Board of European Journal of Internal Medicine (EJIM)

From 2025
Clinical Kidney Journal (CKJ) editorial fellowship with Editor-in-Chief professor Jurgen Floege

2023 Topic Editor for the *"Women in Cardionephrology: 2023"* initiative promoted by *Frontiers in Nephrology*.
The initiative aims to promote the work of women researchers, particularly in the field of cardionephrology, highlighting the various aspects of research across the entire discipline and gathering the latest evidence on outstanding issues in clinical, experimental, and translational nephro-cardiology.
Frontiers in Nephrology

PRIZES AND ACCOLADES FOR SCIENTIFIC ACTIVITY, INCLUDING MEMBERSHIP OF ACADEMIES

2025 Winner of ERA Education Grant 2025
European Renal Association (ERA)

2025 Winner of "Young Investigator Award SIIA/BIHS"
For the presentation of the study *"Glutrepro: A Randomized Controlled Trial on SGLT2 Inhibitors in Renal Senescence, Inflammation and Tubulo-Interstitial Damage in Chronic Kidney Disease"*
Italian Society of Hypertension (SIIA)

2025 Winner of ERA Grants of the 62th ERA Congress
For the presentation of the work *"Dapagliflozin's effect on kidney oxygenation: analysis of functional MRI data from the Randomized GLUTREPRO Trial"*, selected among the best abstracts submitted by young ERA members at the 62nd ERA Congress.
European Renal Association (ERA)

2024 Top reviewer for Nephrology, Dialysis and Transplantation (NDT) in 2024

2022 Winner of ERA Grants of the 59th ERA Congress
For the presentation of the study *"Uric acid stimulates cytoskeleton pathways in vascular smooth muscle cells through F-actin polymerization and atrogin, α-SMA and SM22 upregulation"*, selected among the best 40 abstracts submitted by young ERA members at the 59th ERA Congress.
European Renal Association (ERA)

7-10 Ottobre 2020 Winner of the **"**Best Abstract Under 40 – SIN 2020 Award" at the 61st National Congress of the Italian Society of Nephrology
Study title: *"Incidence of AKI and impact on overall mortality in SARS-CoV-2 patients at Policlinico San Martino, Genoa"*
Italian Society of Nephrology (SIN)
