Postgraduate research and teaching activity

Supervision of PhD students, residents and post-doctoral fellows

Co-supervisor (with Marina Marzia Brambilla, University of Milan) ciclo XXXIV, Rita Luppì, Erzählen und wiedererzählen. Analyse narrativer Rekonstruktion in Zweitinterviews mit deutschsprachigen Migranten nach Israel (Tellings and retellings: An analysis of narrative reconstruction in interviews with second generation German-Speaking Jews in Israel) (University of Milan)

PhD committees membership

programme XXXI to 2019: Member of the PhD committee in Philology, University of Naples Federico II.

Postgraduate (PhD) teaching activity

March 2010, University of Siena (Arezzo), Graduate school in Text sciences – section Germanic Philology and Linguistics: seminar “Mutamento linguistico e fenomeni di grammaticalizzazione”;

April 2009, University of Naples L’Orientale, Graduate school in Text sciences – section Germanic Philology and Linguistics, main seat University of Siena: seminar “Contatti tra lingue nel medioevogermanico”;

November 2006, University of Siena (Arezzo), Graduate school in in Text sciences – section Germanic Philology and Linguistics: seminario compatto “Oralità e scrittura nel medioevo germanico: analisi di alcune parole-

chiave”;

May 2001, University of Siena (Arezzo, Graduate school in Germanic Philology and Linguistics, coordinator prof. Fabrizio D. Raschellà): “Da buoh a Buch: analisi di un percorso semantico”.

Research interests

My research looks at issues of historical semantics and pragmatics, of metaphor studies, and of narrative and conversation analysis, with particular focus on the relationships between memory, places and their verbalization in the narrative interviews of the so-called Israelcorpus collected by the German linguist Anne Betten.
