

Marco Benini

Associate professor

✉ marco.benini@unige.it

Education and training

2012

PhD

Locality in Abelian gauge theories

University of Pavia - Pavia - IT

Academic experience

2024 - ONGOING

Professore associato (MATH-04/A – Mathematical Physics)

Università di Genova - Genova - IT

2019 - 2024

Ricercatore a t.d. (MAT/07 – Mathematical Physics)

Università di Genova - Genova - IT

Research interests

Algebraic quantum field theory, factorization algebras, Lorentzian geometry, higher structures.
