

Tomaso Munari

Professional Consultant

EDUCATION AND TRAINING

1995

Degree in Industrial Chemistry

Experimental thesis

[University of Genoa](#)

1996

Professional qualification as Chemist

Professional examination passed

2005

International Professional Qualification as European Chemist (EurChem)

European professional certification

2005-2006

Level II University Master's in "Innovative membrane technologies & conventional processes for waste & drinking water treatment"

Advanced specialization program

PROFESSIONAL HISTORY

Since 1999

Founding partner and administrator

I.A. Industria Ambiente srl (industrial chemistry, chemical substance management, ecology and environment consulting)

Since 2007

Founding partner

Studio Munari Girelli e Associati (formerly Studio Munari & Associati)

ACADEMIC APPOINTMENTS

2007-2010

Contract Professor

Faculty of Environmental Sciences, "Treatment and Recovery of Solid Waste"

University of Genoa

Since 2011

Contract Professor

Dipartimento Department of Earth, Environment and Life Sciences, "Waste Management"

(Natural/Environmental/Biological and Chemical Sciences degree courses)
University of Genova

Since 2017

Promoter and Reference Lecturer

Level II Master's "Management of Chemicals"
University of Genova

2020-2021

Lecturer

University Specialization Course "Pollution and Health: health impact assessment"
University of Genova

EXPERIENCE

MAIN SEMINARS

2007 11th EuCheMS International Conference on Chemistry and the Environment

Section Lecture: "An introduction to REACH Regulation: challenges and opportunities for the European scientific community"
Torún, Poland

2010 3rd EuCheMS Chemistry Congress

"Cooperation with the European Chemicals Agency"
"Opportunities in REACH Regulation Application"
Nürnberg, Germany

2017 ECHA RAC41

"EuCheMS position on Titanium Dioxide classification proposal"
Helsinki

OTHER EXPERIENCES

2006-2011 National Councilor

National Council of Chemists at Ministry of Justice

2011-2016 Vice President

National Council of Chemists at Ministry of Justice

Dal 2021 Full member

entrant Commission for examination of affairs concerning the profession of Chemist at
Ministry of Health (ex DPCM October 14, 2021)

2009-2018 Permanent observer

Risk Assessment Committee (RAC) of European Chemicals Agency (ECHA)
For EuCheMS (European Association for Chemical and Molecular Sciences)

2014-2016 Coordinator

Regulatory Policy Committee
EuCheMS
