Education and training

2012
PhD
Moments, Period Functions and Cotangent Sums
University of Bristol - Bristol - GB

Academic experience

2024 - ONGOING
Professore ordinario
Università di Genova - Genova - IT

2021 - 2024
Professore associato
Università di Genova - Genova - IT

2018 - 2021
Ricercatore di tipo B
Università di Genova - Genova - IT

2015 - 2018
Ricercatore di tipo A
Università di Genova - Genova - IT

2015
Postdoctoral fellow
ICERM - Brown university - Providence RH - US

2012 - 2015
Postdoctoral fellow
Centre de recherches mathématiques - Montreal - CA

Research interests

I'm interested in most topics within the field of Analytic Number Theory and in particular on problems connected to the theory of L-functions. I have also worked on some problems on Continued fractions, Random Matrix Theory and on some other classical number theory problems.
