

Curriculum Vitae Europass

Personal Information

Name: Francesco Famà

Address: Via di Scurreria 1/1, Genova – U.O. Clinica Neurologica (UNIGE), Laboratorio di analisi EEG ad alta risoluzione, amb. di Neurofisiologia Clinica, Pad. Specialità, piano fondi lato ponente, L.go R.Benzi 10, IRCCS Ospedale Policlinico AOU S. Martino, Genova

Phone: +39 010 555 2113 – +39 347 9069020

Email: francesco.fama@unige.it

PEC (Certified Email): francesco.fama@pec.tsrm-pstrp.org

Citizenship: Italian

Date of Birth: March 1, 1972

Professional Sector

Neurophysiopathology Technician – University of Genoa

Professional Experience

Positions Held

- **December 2007 – Present:** Neurophysiopathology Technician (under agreement with the National Health Service (SSR) since 2014) and data processor at the Neurological Clinic, University of Genoa, Department of Neuroscience, Rehabilitation, Ophthalmology, Genetics and Maternal-Infant Sciences – DiNOGMI.
- **September 2009 – September 2015 & March 1, 2025 – Present:** Technical and practical coordinator and internship supervisor for the Degree Course in Neurophysiopathology Techniques (L/SNT3) at the University of Genoa.
- **January 2017 – Present:** Specialist function as Laboratory Manager, Department of Neuroscience, Rehabilitation, Ophthalmology, Genetics and Maternal-Infant Sciences – DiNOGMI.
- **January 2020 – Present:** President of the Registry Board for Neurophysiopathology Technicians of the Order of Medical Radiology Technicians and Technical, Rehabilitation and Prevention Healthcare Professionals (TSRM e PSTRP) of Genoa-Imperia-Savona.
- **October 2020 – October 2024:** Member of the National Registry Board for Neurophysiopathology Technicians.
- **October 2024 – Present:** Vice President of the National Registry Board for Neurophysiopathology Technicians.
- **November 2020 – Present:** Member of the Board of Directors of the Order of Medical Radiology Technicians and Technical, Rehabilitation and Prevention Healthcare Professionals (TSRM PSTRP) of Genoa-Imperia-Savona, with a delegation to the University (Secretary of the Board since December 2022).
- **March 2019 – Present:** Member of the Scientific Committee of the Italian Association of Neurophysiopathology Technicians – AITN (Technical-Scientific Association – ATS accredited pursuant to Ministerial Decree August 2, 2017 of the Ministry of Health).
- **January 2012 – Present:** IRIS platform manager (Institutional Research Information System), an information technology solution for collecting and managing data related to research activities and products for the Department of Neuroscience, Ophthalmology, Genetics, Rehabilitation and Maternal-Infant Sciences (DiNOGMI) of the University of Genoa.
- **February 2015 – Present:** Member of the Research Commission of the Department of Neuroscience, Ophthalmology, Genetics, Rehabilitation and Maternal-Infant Sciences (DiNOGMI) of the University of Genoa.

- **January 2007 – December 2007:** Collaboration contract within a research project "EEG and quantified EEG in neurodegenerative diseases" at the U.O. of Clinical Neurophysiology of the University of Genoa, directed by Professor Guido Rodriguez.
- **January 2006 – December 2006:** Collaboration contract within a research project entitled "Polysomnographic study in a cohort of drivers to assess the risk of road accidents related to drowsiness" at the Sleep Center of the University of Genoa, directed by Professor F. Ferrillo.

Main Activities and Responsibilities

- Acquisition and processing of brain electrophysiological signals (EEG) and polysomnography.
- Video-electroencephalography (VideoEEG) in epilepsy, neurodegenerative diseases, and sleep disorders.
- Teaching and research activities in neurophysiopathology.
- Monitoring activities related to Departmental Research Quality Assurance Policies and monitoring of Departmental scientific production.
- Safety officer duties.

Education and Training

- **Master's Degree in Diagnostic Medical-Technical Health Professions:** University of Genoa, Faculty of Medicine and Surgery, obtained July 19, 2011, with a grade of 110/110 cum laude. Thesis title: "The area of responsibility of research for the specialist neurophysiopathology technician."
- Bachelor's degree in neurophysiological techniques: University of Genoa, Faculty of Medicine and Surgery, obtained November 13, 2003, with a grade of 110/110 cum laude.

Social and Organizational Skills and Competencies – Teaching and Research Activities

- **May 2009 – Present:** Lecturer, "Functional Exploration of the Nervous System: Electroencephalography, Principles and Applications," Medicine and Surgery Degree Course. Lecturer in Physiology of the Nervous System (Prof. Benfenati)
- **July 2022 – Present:** Lecturer, Applied Neurophysiopathological Medical Technical Sciences 2, in the Degree Course in Prevention, Assistance, and Innovation in the Area of Technical Sciences, Master's Degree in Diagnostic Medical-Technical Health Professions
- **July 2022 – Present:** Lecturer at the Second-Level Master's Degree in Epileptology, organized by the University of Genoa (UNIGE) and the Italian League Against Epilepsy (LICE)
- **Academic Years 2009-2010 and 2010-2011:** Lecturer, Nursing, Technical and Neuro-Psycho-Rehabilitation Sciences (neurophysiopathological diagnostics), Neurosonology and Special Neurophysiology Course, third year, Degree Course in Neurophysiopathology Techniques
- **Academic Year 2011-2012:** Lecturer, Nursing, Technical and Neuro-Psycho-Rehabilitation Sciences (neurophysiopathological diagnostics), Clinical Neurophysiology and Electroencephalography Course, first year, Degree Course in Neurophysiopathology Techniques
- **Academic Year 2012-2013:** Lecturer, Nursing, Technical and Neuro-Psycho-Rehabilitation Sciences (neurophysiopathological diagnostics), Physiopathology of States of Consciousness: Sleep, second year, Degree Course in Neurophysiopathology Techniques
- **Academic Year 2013-2014:** Lecturer, Nursing, Technical and Neuro-Psycho-Rehabilitation Sciences (neurophysiopathological diagnostics), Physics and Engineering of Bioelectrical Signals, third year, Degree Course in Neurophysiopathology Techniques
- **February 2017 – February 2019:** Sub-investigator for EEG, polysomnography, and vigilance tests in the study "Dose-finding Phase IIb study of Bavisant to evaluate its safety and efficacy in treatment of excessive daytime sleepiness (EDS) in Parkinson's Disease (PD). CASPAR study. EudraCT n°2017-000877-35."

- **January 2012 – June 2015:** Sub-investigator (for the UNIGE recruiting center) for EEG and cognitive evoked potentials in the European multicenter experimental study (FP VII) Pharmacog: identification of biomarkers sensitive to disease progression in patients with Mild Cognitive Impairment (Coordinating Center IRCCS San Giovanni di Dio-Fatebenefratelli, Brescia (Prof. GB Frisoni)
- **March 2013 – October 2020:** Sub-investigator for EEG and polysomnography in the observational study "The fate of patients with idiopathic REM sleep behavior disorder (iRBD). A prospective observational study. (Prot. REMeDIO)" conducted at the Clinical Neurophysiology Unit of the University of Genoa
- **January 2010 – June 2012:** Sub-investigator for EEG in the study "Sighted and blind individuals, spatial brain maps built through the spatial exploration of virtual objects: differences evaluated with electroencephalography (EEG)," in collaboration with the David Chiossone Institute for the Blind and Visually Impaired of Genoa and the Italian Institute of Technology (IIT) of Genoa
- **October 2010 – May 2011:** Sub-investigator for EEG in a randomized controlled study to evaluate the efficacy of a food for special medical purposes (FSMP) in patients with mild Alzheimer's disease, sponsored by Danone Research and conducted at the Clinical Neurophysiology Unit of the University of Genoa
- **December 2009 – July 2011:** Sub-investigator for EEG in the Phase IV clinical trial "Evaluation of the effect (electroencephalographic parameters and neuropsychological tests) of the food supplement ARD Cogiton® in patients with Mild Cognitive Impairment," sponsored by Bracco SpA and conducted at the Clinical Neurophysiology Unit of the University of Genoa.

Language Skills: English

Understanding		Speaking		Writing
Listening	Reading	Spoken interaction	Spoken production	
B2	B2	B2	B2	B2

IT Skills

- Proficiency in Windows applications: WORD, EXCEL, PUBLISHER, ACCESS
- EEG signal acquisition and post-processing systems (EEGLAB Matlab).

Additional Information

Registered with the Italian Association of Neurophysiopathology Technicians (AITN) and the register of Neurophysiopathology Technicians of the TSRM PSTRP Order of Genoa, Imperia, Savona.

Scientific Production

Co-author of over 40 scientific publications concerning the clinical and diagnostic aspects of neurodegenerative diseases, sleep medicine, and epilepsy in journals with Impact Factor.

Attachments
