

## Alberto Lagazzo

Associate professor

### EDUCATION AND TRAINING

2011

**PhD in Material Science**

Study, using rheological techniques, of kaolin dispersions microstructure and their technological applications

University of Genoa

2007

**Master's degree in chemical engineering**

Analysis of decontamination techniques of metallic components from decommissioning activities of nuclear power plants

University of Genoa

### PROFESSIONAL HISTORY

2021-2024

**Assistant Professor - Tenure Track (RTD-B, ING-IND/22, Material Science)**

DICCA - University of Genoa

2020-2021

**Assistant Professor (RTD-A, ING-IND/22, Material Science)**

DICCA - University of Genoa

2011-2019

**Post-Doc (ING-IND/22, Material Science)**

DICCA - University of Genoa

## EXPERIENCE

### MAIN SEMINARS

From 2010

Author of **40 communications** (orals and poster) in national and international Congress.

### PRIZES AND ACCOLADES FOR SCIENTIFIC ACTIVITY, INCLUDING MEMBERSHIP OF ACADEMIES

#### Scientific collaborations:

CNR – ISSMC, Gruppo Nanotecnologie e Nanosafety Edilizia e Costruzioni, Faenza (RA) (Ref. Dr. M. Raimondo)

CNR – IEIIT, Engineering for Health and Wellbeing Group, Genova (ref. Dr. S. Scaglione)

Polymer Chemistry & Biomaterials Group, Ghent University, Ghent – Belgium (ref. Prof. P. Dubruel)

Tissue Engineering & Biophotonics, King's College London, London – UK (ref. Prof. L. Di Silvio)

Adv. Polymer Mater. Group, University Politecnica of Bucharest, Bucharest – Romania (ref. Prof. I Stancu)

### PARTICIPATION IN THE CREATION OF NEW BUSINESS ENTITIES (SPIN-OFFS), DEVELOPMENT, USE AND COMMERCIALISATION OF ACADEMIC PATENTS

#### Holder of 3 Patents

Calorimetro differenziale, in particolare del tipo denominato "Calvet" (IT202300001263A1)

Resorbable device for bone regeneration (EP4368215A1)

Fixed dental prosthesis and its manufacturing method (IT201700039742A1).

University of Genoa
