

Paola Tepsich

Work : Fondazione CIMA, via Magliotto , 17100, Savona, Italy

Email: paola.tepsich@cimafoundation.org **Website:** <https://www.researchgate.net/profile/Paola-Tepsich>

LinkedIn: <https://www.linkedin.com/in/paola-tepsich-423b5b5/>

Date of birth: [REDACTED] **Nationality:** Italian

WORK EXPERIENCE

University of Genoa

City: Genoa | **Country:** Italy

[01/09/2021 – Current] **Adjunct Professor**

Adjunct professor for the Msc in Marine Biology and Ecology at the University of Genoa - course : Cetacean ecology and monitoring techniques

CIMA Research Foundation

City: Savona | **Country:** Italy

[01/01/2018 – Current] **Researcher**

Principal Investigator of "SEasteMAR - Sviluppo di sistemi per la Sicurezza E l'Allerta nello Spazio marino Transfrontaliero ed Evoluzione di Modelli per l'Adattamento al Rischio climatico". Funds: INTERREG Italia-Francia Marittimo 2021-2027 (FESR)

Duration 3 years (2024-2026).

Investigator for NBFC - National Biodiversity Future Center, Spoke 2

Duration 3 years (2024-2026)

Principal Investigator of "LIFE20 NAT / IT / 001371 CONCEPTU Maris CONservation of CEtaceans and Pelagic sea TURtles in Med: Managing Actions for their Recovery In Sustainability". Duration: 5 years (2022 - 2026) <https://www.lifeconceptu.eu/>

Associated Investigator of "GIAS - Gis and Artificial Intelligence for real-time forecasting, detection and surveillance of the sea at the service of cross-border navigation safety". Funds: INTERREG Italia-Francia Marittimo 2014-2020 (FESR). Duration: 3 years (2019-2022). <http://interregmaritime.eu/it/web/gias/progetto>

Principal Investigator of "SICOMARplus - Transboundary system for safety at sea As part of the risks of navigation and environmental protection MARino". Funds: INTERREG Italia-Francia Marittimo

2014-2020 (FESR). Duration: 3 years (2018-2021). <http://interregmaritime.eu/it/web/sicomarplus/progetto>

Associated Investigator of "EcoSTRIM - Eco-Sustainable TouRism Investments to stimulate and promote the competitiveness and innovation of the Marine cross-border cooperation activities".

Funds: INTERREG Italia-Francia Marittimo 2014-2020 (FESR). Duration: 3 years (2018-2021). <http://interregmaritime.eu/it/web/ecostrim/progetto>

Associated Investigator of "Predictability study of impacts provoked by bottom sludge during the construction of multipurpose platform: part 2 - assessment during dredging".
Funds: Savona Port

Authority. Duration: 3 years (2016-2018).

Associated Investigator of "Pelagos Noise Noise impact estimated from marine traffic on sperm whale

(P. macrocephalus) and Cuvier's beaked whale (Z. cavirostris). Funds: Pelagos International.

Duration: 1 year (2014).

Main tasks: project management; marine in field data collection and analysis; archive and database management; project writing;

supervision of thesis for bachelor and master degree and PhD students.

DIBRIS University of Genoa - CIMA Research Foundation

Address: via Magliotto, 2, 17100, Savona, Italy

[01/03/2012 – 31/12/2017] **Postdoctoral Research Fellow**

Monitoring and Conservation of high seas marine ecosystems, with a focus on Cetacean habitat modeling and spatial ecology.

Research focuses on development of methods and tools for monitoring and conservation of marine ecosystem and especially for large megafuna such as cetaceans.

Duties encompass: organization and management of cetacean monitoring projects; collecting and analyze oceanographic datasets; interface with stakeholders; interface with local/international authorities; project writing and fund raising; marine mammal observer training; student tutoring.

Genoa Science Festival

Address: Corso Perrone 24, 16152, Genova, Italy

[10/2004 – 10/2008] **Scientific explainer**

Scientific explainer in the following exhibitions:

2004 - Microscopes of Physics

2005 - Secrets of the dinosaurs / StarLab

2006 - Science wonders

2007 - Bauli / Building Science with the left hand

2008 - Delfinti (from real dolphins to fake ones)

in 2008 chief organizer of the exhibition Delfinti

DIBIO - University of Genoa

Address: viale Benedetto XV, 16132, Genova, Italy

[01/01/2008 – 09/2008] **Research Assistant**

Organization and management of field surveys, Project and report writing, student tutoring

Consorzio Liguria via Mare

Address: via Sottoripa 7, 16124, Genova, Italy

[06/2004 – 09/2007] **Scientific staff on board of Whale watching vessel**

EDUCATION AND TRAINING

[09/03/2014] **Marine Mammal Observer**

JNCC - Joint Nature Conservation Committee

[01/01/2009 – 31/12/2011] **PhD in Monitoring of systems and environmental risks management**

DIST - University of Genova / CIMA Research Foundation

Address: via Magliotto, 2, 17100, Savona, Italy |

Thesis subject "Characterization of cetacean habitat in the Pelagos

Sanctuary: Methodologies, tools and applications"

The thesis analyzes principal methodologies and tools used for cetacean habitat modelling. Specific methodologies and tools are then proposed for habitat modelling of cetacean inhabiting the Pelagos Sanctuary.

Phd activities include also field surveys on different platforms (R/V , ferries and sailing boats), intervention on stranded cetaceans, marine mammal observers training and bachelor/master students tutoring.

[03/02/2011 – 31/07/2011] **Visiting Scholar**

Marine Geospatial Ecology Lab – Duke University

City: Durham, NC | **Country:** United States |

cetacean habitat modeling

supervisor: Patrick Halpin

[01/02/2005 – 27/09/2007] **Msc in Marine Environmental Science**

University of Genoa

Address: 16142, Genoa, Italy | | **NQF Level:** 110/110 cum laude

Thesis title "Sampling techniques for estimating abundance of fin whale in the Ligurian Sea"

Analysis of the optimal sampling design and sampling strategy for abundance estimation of fin whales summering in the Ligurian Sea

[18/10/2006 – 25/10/2006] **Scientific populariser**

EASE - European Academy for Scientific Explainers - Associazione Festival della Scienza

City: Genova | **Country:** Italy |

Science outreach, Organization and management of scientific events (exhibits, conferences and laboratories)

[09/2001 – 02/2004] **Bsc in Environmental Science**

University of Genoa

Address: 16142, Genoa, Italy | | **NQF Level:** 110/110

Thesis title "Development of whale Watching Industry in the Ligurian Sea"

LANGUAGE SKILLS

Mother tongue(s): Italian
