

Mansueto Rossi

Researcher

✉ mansueto.rossi@unige.it

☎ +39 3804399525

☎ +39 3285423470

Education and training

2001

Master of Science Electrical Engineering

University of Genoa - Genoa - IT

2004

PhD

University of Genoa - Genoa - IT

Academic experience

2008

Researcher

University of Genoa - Genoa - IT

Research interests

- Methods for the integration of renewable resources in the power network
- Microgrids
- Lightning modeling
- Transmission lines analysis and evaluation of lightning-induced overvoltages.
