Education and training

2004

PhD in Clinical and Experimental Gastroenterology

Univeristà degli Studi di Genova - Genova - IT

1999

Specialty in Gastroenterology and Digestive Endoscopy

Università degli Studi di Genova - Genova - IT

1995

Medical Degree

Università degli Studi di Genova - Genova - IT

Academic experience

2018 - ONGOING

Visiting Professor

Yale University School of Medicine - New Haven (CT) - US

2017 - ONGOING

Full Professor

Università degli Studi di Genova - Genova - IT

2014 - 2017

Associate Professor

Università degli Studi di Genova - Genova - IT

2005 - 2014

Assistant Professor

Univeristà degli Studi di Genova - Genova - IT

2004 - 2005

Post-Doctoral Fellow

Univeristà degli Studi di Genova - Genova - IT

Language skills

Italian

Mother tongue

English

Proficient

Research interests

Pathophysiology of chronic liver diseases, in particular evaluation of the interplay between liver architectural derangement and liver function, clinical and instrumental correlates of portal hypertension, and prognostic assessment of liver cirrhosis.

Evaluation of new therapies for patients with nonalcoholic fatty liver disease (NAFLD) and steatohepatitis (NASH), and studies regarding the follow-up of patients with chronic viral hepatitis (HBV, HCV), including treatment.

Study of the haemostasis and coagulation in patients affected by chronic liver disease.

Prevention, diagnosis, clinical management, and prognostic assessment of patients with hepatocellular carcinoma.

Editorial activity

Editorial boards membership:

2004-2017	World Journal of Gastroenterology.
2009-	Gastroenterology Research and Practice.
2011-	Journal of Gastroenterology and Hepatology Research.
2011-2018	World Journal of Hematology.
2012-2017	Datasets Papers in Medicine – Hepatology.
2014-2016	Hepatoma Research.
2014-2017	World Journal of Hepatology.
2014-	Journal of Liver and Clinical Research.
2014-	Journal of Translational Internal Medicine.

2017- Associate Editor, Digestive and Liver Disease.

Reviewer of scientific applications and projects for the following Institutions:

- European Commission (EU):
 - Experts' Database for the Research Framework Programmes 6 (Sixth Research Framework Programme, FP6).
 - Experts' Database for the Research Framework Programmes 7 (Seventh Research Framework Programme, FP7).
 - Reviewer of projects submitted to the call 'Personalizing health and care' (HORIZON 2020-PHC-2014).
