Education and training

2003

Ph.D. in Electronic and Computer Engineering

An Object-Oriented framework for efficient design of Human-Computer Interaction on mobile computing systems
University of Genoa - Genoa - IT

1999

M.Sc. in Electronic Engineering

Design and development of a Java bytecode optimization tool - 110/110
University of Genoa - Genova - IT

Academic experience

2018 - ONGOING

Associate Professor

University of Genoa - Genoa - IT

2011 - 2018

Assistant Professor of Electronics

University of Genoa - Genoa - IT

2003 - 2011

Research Fellow

University of Genoa - Genova - IT

Language skills

English

Independent

Research interests

His research activity is focused on the applications of Electronic Systems, in particular in the fields of Games, Technology Enhanced Learning and Internet of Things.
