

Domenico Lovascio PhD FRHistS

lovascio.domenico@gmail.com; domenico.lovascio@unige.it

<https://orcid.org/0000-0001-9379-2040>

Professore Associato of English Literature,

Department of Modern Languages and Cultures (DLCM), University of Genoa (UniGe), Italy

MAJOR FIELDS OF RESEARCH

Early modern English drama: theatre history, textual editing, the canon of John Fletcher and his collaborators, Shakespeare's Roman plays, Anglo-Italian relationship, classical reception, lost plays

I. ACADEMIC EMPLOYMENT HISTORY

- 11/22– Professore Associato – English Literature, UniGe
11/19–10/22 Ricercatore TDb – English Literature, UniGe
02/17–10/19 Ricercatore TDa – English Literature, UniGe
02/16–01/17 Assegnista di ricerca – English Literature, UniGe

II. EDUCATION AND OTHER ACADEMIC TITLES

- 2023 Fellow of the Royal Historical Society (elected 22/05/2023 in recognition of contribution to historical scholarship)
2023 Abilitazione Scientifica Nazionale (26/01/2023 – 26/01/2034) alle funzioni di professore universitario di **prima fascia** per il settore concorsuale 10/L1 – Lingue, letterature e culture inglese e anglo-americana
2017 Abilitazione Scientifica Nazionale (01/12/2017 – 01/12/2028) alle funzioni di professore universitario di **seconda fascia** per il settore concorsuale 10/L1 – Lingue, letterature e culture inglese e anglo-americana
2015 TFA (A345-A346) Qualification to teach English language and civilisation in Italian lower and upper secondary schools (mark: 96/100), UniGe
2013 PhD in Euro-American Comparative Literature, UniGe
2009 MA in Literary Translation (Major: English, German), UniGe
2007 BA in Foreign Languages and Literatures (Major: English, German), UniGe

III. RESEARCH FELLOWSHIPS, FUNDING AND AWARDS

A. FELLOWSHIPS

- 2016 Visiting Scholar at Sheffield Hallam University, Department of Humanities, 20/06 – 22/07
B. GRANTS
2022 Malone Society Research Grant in support of work on a new edition of *Thierry and Theodore* by John Fletcher, Philip Massinger and Nathan Field, £1000
2020–24 Local Coordinator of the UniGe Unit of the PRIN 2017XAA3ZF: 'Classical Receptions in Early Modern English Drama' (PI: S. Bigliazzi, University of Verona), total funding €479.290, funding for UniGe €99.865,20; 20/01/2020 – 20/07/2024
2017 Fondo per il finanziamento delle attività base di ricerca (FFABR), €3.000
2016 Malone Society Research Grant in support of work on a new edition of Thomas Kyd's *The Householder's Philosophy*, £199.68
2015 Italian Association of Shakespearean and Early Modern Studies Conference Grant, €150
2014 European Society for the Study of English Book Grant 2014, €283.34, for 'Re-Writing the Past: Julius Caesar in Early Modern English Literature and Culture'
UniGe Research Grant, €4.989,21 for two years for a group of twelve scholars, for 'Committenti, libri e lettori dall'antichità al Rinascimento' ('Clients, Books and Readers from Antiquity to the Renaissance')
Italian Association of Shakespearean and Early Modern Studies Conference Grant, €150

University of Reading Conference Grant, £100, to present a paper at the annual Reading Conference in Early Modern Studies

- 2013 UniGe Research Grant, €4.724,73 for two years for a group of thirteen scholars, for ‘Natura ed etologia dall’antichità al Rinascimento’ (‘Nature and Etology from Antiquity to the Renaissance’)
- 2012 Italian Association of Shakespearean and Early Modern Studies Conference Grant, €75
- 2010 UniGe Publication Grant, €3.000, for *La congiura di Catilina. Testo inglese a fronte* by Ben Jonson, ed. D. Lovascio (Genova: ECIG, 2011)
- UniGe Doctoral Grant, about €41.000 for three years, for ‘Giulio Cesare nel teatro rinascimentale inglese’ (Julius Caesar in English Renaissance Drama)

C. AWARDS AND PRIZES

- 2024 IASEMS ‘Mariangela Tempera’ Book Prize for Early Modern English Studies for *John Fletcher’s Rome: Questioning the Classics* (Manchester UP, 2022)
- 2022 National Evaluation of Research Quality (VQR) 2015–19: all three submitted research outputs were rated ‘excellent’
- 2020 Ben Jonson Discoveries Award for outstanding contribution to *The Ben Jonson Journal* (2020)
- 2016 Special Jury Prize at the VI Edition of the National Literary Award Franz Kafka Italia, Non-Fiction section, for *Un nome, mille volti. Giulio Cesare nel teatro inglese della prima età moderna* (Roma: Carocci, 2015)
- National Literary Award Scriviamo Insieme (VI Edition), Non-Fiction section, for *Un nome, mille volti. Giulio Cesare nel teatro inglese della prima età moderna* (Roma: Carocci, 2015)
- 2014 AIA/Carocci PhD Dissertation Prize 2014 awarded by the Italian Association of English Studies to the best doctoral thesis in the field in Italy in 2012–13

IV. PUBLICATIONS

A. BOOKS

John Fletcher’s Rome: Questioning the Classics (Manchester UP, 2022) (The Revels Plays Companion Library), xviii+214 pp.

[WINNER of the IASEMS ‘MARIANGELA TEMPERA’ BOOK PRIZE FOR EARLY MODERN ENGLISH STUDIES 2024] Reviewed by Gordon McMullan in *Early Theatre* 26.1 (2023), 155–8: ‘Domenico Lovascio’s informed and informative *John Fletcher’s Rome* ... finds a new way to make the canon manageable by turning his attention to the four “Roman” plays ... Focusing on this subset of plays — while demonstrating throughout his impressively assured knowledge of the entire Fletcher canon — Lovascio addresses Fletcher’s attitude both to the classics and to Shakespeare, undertaking a good deal of pleasingly precise source study in order both to unearth a set of attitudes to the classical past that mark a firm contrast with Shakespeare and to offer convincing new arguments about Fletcherian dramaturgy as a whole. ... This monograph, ground-breaking as it is in several respects, valuably reminds us that Shakespeare and Jonson were not the only dramatists to write “Roman plays” ... But perhaps the single greatest value of Lovascio’s work is that it serves as a reprimand (one implicit in his gently ironic choice of title) to the numerous monographs about “Shakespeare’s Rome” that might lead you to believe that, of all early modern playwrights, only Shakespeare (or, at best, Shakespeare and Jonson) paid thoughtful attention to Roman history. Lovascio is to be thanked for this valuable work of redirection’.

Reviewed by Joseph F. Stephenson in *Shakespeare Quarterly* 74.2 (2023), 156–8: ‘Domenico Lovascio has established himself as a leading scholar of John Fletcher’s works. His latest volume, *John Fletcher’s Rome: Questioning the Classics*, combines his expertise on Fletcher with his interest in dramatic treatments of Rome. ... Beyond the Roman plays themselves, Lovascio refers effortlessly to most plays in the Fletcher canon, whether for their exempla of Lucrece and Curtius or for various other correlations to the plays discussed. ... *John Fletcher’s Rome* ..., along with Lovascio’s other scholarship, has greatly contributed to the exploration of the work of this important dramatist and of the period generally, clearing the way for further research while serving as a shining example to emulate’.

Reviewed by Michael Wagoner in *Notes and Queries* 71.2 (2024), 219–20: ‘Despite being a key figure in early modern English drama, John Fletcher rarely stands as the central concern in an entire academic monograph. Domenico Lovascio, however, has made clear why such work is necessary ... Lovascio deftly reads not only classical texts and early modern translations of them, but also key scenes throughout the Fletcher canon. His command of the vast array of plays beyond the four at stake

highlights how Lovascio is an important voice in early modern dramatic scholarship. ... Overall, this book is a key study for early modern drama as it revives an important aspect of John Fletcher's work. So too, it offers insights into classical reception in the period, noting how one writer might prefer non-traditional sources and alternative materials'.

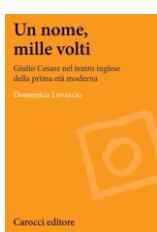

Reviewed by **William David Green** in *Archiv für das Studium der neueren Sprachen und Literaturen* 260.2 (2023), 436–8: 'In *John Fletcher's Rome: Questioning the Classics*, Domenico Lovascio provides a valuable counterpoint to Fletcher's relative popular obscurity, offering a timely and illuminating investigation into Fletcher's work. ... Each chapter of Lovascio's study is brimming with fascinating insights and intriguing interpretations, but the final chapter in particular can be considered essential reading for anyone interested in how Fletcher's plays can be placed in relation to the wider theatrical moment through which he lived. ... Lovascio provides many valuable insights, not only in analysing Fletcher's works themselves, but also in uncovering the intellectual processes through which Fletcher produced such work. ... With *John Fletcher's Rome*, Lovascio has produced a highly important book, one that will no doubt enjoy a long life as a particularly timely reassessment of a dramatist quite rightly remembered as "Shakespeare's successor"'.

Reviewed by **Gabriella Edelstein** in *Parergon* 40.1 (2023), 267–8: 'Domenico Lovascio's monograph on the playwright's dramatic representations of the Ancient Roman world is a welcome intervention in the field. Lovascio reads together what will now be called Fletcher's 'Roman plays' ... as a group for the first time ... Ultimately, Lovascio demonstrates how Fletcher's plays were taking part and contributing to broader cultural discourses about history, gender, education, stoicism, and misplaced nostalgia. *John Fletcher's Rome* is a valuable contribution to the field of classical reception studies, but more importantly, it offers up future possibilities for literary readings of the veritable terra incognita that is the wider Fletcher canon'.

Reviewed by **Jennifer Brady** in *Renaissance Quarterly* 77.1 (2024), 312–4: 'Lovascio sheds light on the use Fletcher makes of his various sources in a perceptive reading of the four Roman plays: *Valentinian*, *Bonduca*, *The False One*, and *The Prophetess*. ... Lovascio's twin publications of 2022 fill in a lacuna in our awareness of early modern drama centering on the Roman empire.'

Reviewed by **Camilla Caporicci** in *LinguaeC* 23.2 (2023), 167–72: 'Dense with information yet remarkably fluid and engaging to read, ... Lovascio's study shines for its originality, clarity, and insight. It fills a genuine gap in the field ... and has many merits. ... Through an approach that combines unexceptionable scientific rigour with ... evident gusto ... Lovascio offers us a work that ... enlightens several aspects of Fletcher's personality, thought, and art. ... Lovascio's exceptional grasp of the entire Fletcher canon allows him to make his discussion of the Roman plays relevant to a deeper understanding of Fletcher's output at large ... *John Fletcher's Rome* represents a timely and much-needed corrective to the widespread notion of a perfect overlap between Shakespeare's vision of Rome and that of the Elizabethan and Jacobean theatre in general'.

Reviewed by **Cristina Paravano** in *The Year's Work in English Studies*, <https://doi.org/10.1093/ywes/maae010>: 'Domenico Lovascio's *John Fletcher's Rome: Questioning the Classics* is a highly welcome addition to the Revels Plays Companion Library, contributing to the fields of early modern drama and the reception of the classical world on the early modern stage. This ground-breaking monograph provides a fresh perspective on John Fletcher's depiction of imperial Rome and his engagement with classical antiquity. Moreover, it succeeds in offering an alternative to the Shakespeare-centric vision of studies about Rome'.

Un nome, mille volti. Giulio Cesare nel teatro inglese della prima età moderna (Roma: Carocci, 2015), 207 pp.
[WINNER of the PREMIO LETTERARIO NAZIONALE SCRIVIAMO INSIEME 2016]
[WINNER of the SPECIAL JURY PRIZE – PREMIO LETTERARIO NAZIONALE FRANZ KAFKA ITALIA 2016]
[SECOND PLACED for the PREMIO LETTERARIO INTERNAZIONALE LAGO GERUNDO 2018]
[SHORTLISTED for the PREMIO I MURAZZI 2016]
[FINALIST of the PREMIO FIRENZE 2017]

Reviewed by **Robert Dulgarian** in *Renaissance Quarterly* 69.3 (2016), 1207–8: 'By organizing his treatment of the plays chapter by chapter in (conjectural) order of composition, Lovascio is able to highlight parallels in sources and concerns without losing sight of each play's historical specificity or its treatment of the character of its central figure. ... Lovascio is particularly meticulous in his attention to secondary sources [and] indefatigable in amassing and judiciously incorporating into his readings scholarly work on even the obscurer plays in his treatment. His attention to the comparative roles of standard Roman sources, such as Dio Cassius, Sallust, Suetonius, and Lucan, is also commendable, particularly his awareness of the ways in which genre may have tended to dictate analysis'.

Reviewed by **Carlo Maria Bajetta** in *Notes and Queries* 63.3 (2016), 480–1: 'Un nome, mille volti provides a lucid analysis of these materials, and the comments on the quoted excerpts are frequently illuminating. This book proves that the English Renaissance theatre offered a much more radical (and negative)

image of Caesar than hitherto argued by modern scholars. ... Lovascio's analysis of the contemporary concept of tyrannicide (and, implicitly, regicide) is particularly interesting to anyone interested in the history of Republicanism in the sixteenth and seventeenth centuries'.

Reviewed by **Lara Nicolini** in *L'analisi linguistica e letteraria* 25.1 (2017), 221–6: 'Lovascio's remarkable book fills a gap The investigation starts ... from a very accurate philological-textual work ...; the linguistic analyses abound, and the singling out of the links between the historical sources and the modern text are painstaking, which is one of the best qualities of this book. Every interpretation ... is firmly anchored to the text. ... thanks to the comparisons set up between the different plays ... the book as a whole displays a high degree of consistency and cohesiveness. ... this solid and passionate study will be certainly useful to the experts in the field but will also prove to be a compelling reading for anyone interested in literary criticism at large and for readers who are familiar with the fields of intertextuality and literary memory The book ... is really well written and meets the reader halfway by enjoyably merging scientificity and clarity' (my trans.).

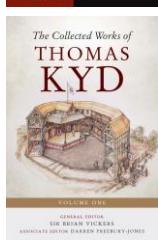

Reviewed by **Sergio Audano** in *Bryn Mawr Classical Review*, <http://bmcr.brynmawr.edu/2016/2016-05-11.html>: 'a compelling, well-argued volume, analytical regarding the relation between the texts examined and the classical sources, and at the same time capable of elaborating precise and convincing summaries. It is certainly an important contribution, which will be useful for scholars interested not only in English literature, but also in dramaturgy and, more generally, in the reception of classical antiquity' (my trans.).

Reviewed by **Cristiano Ragni** in *The Sixteenth Century Journal* 47.3 (2016), 720–1: 'Among the many merits of Lovascio's monograph are his meticulous close readings of the plays, as well as his firm command of Latin, history, and early modern literature, which allowed him to access an impressively wide range of primary and secondary sources. Thorough in its ambit, this volume makes a strong contribution to Renaissance studies, as it fills a significant gap in the field of the reception of one of Rome's major symbols. In short, it surely merits reading by scholars interested in the analogies, differences, and even shared aims emerging from minor, but noteworthy, early modern representations of Julius Caesar'.

B. CRITICAL EDITIONS

- * *Orlando Furioso*, by Robert Greene, ed. D. Lovascio, in *The Collected Plays of Robert Greene*, gen. ed. D. Freebury-Jones (Edinburgh UP, 2028), forthcoming
- * *The Fables of Poge the Florentine/Le favole di Poggio Fiorentino*, di William Caxton, introduzione, testo critico e traduzione di D. Lovascio, in *Le facezie nella letteratura europea*, gen. ed. S. Pittaluga and M. Ciccuto (Milano: Bompiani, 2025) (Classici della letteratura europea), forthcoming

Thierry and Theodore, by John Fletcher, Philip Massinger and Nathan Field, ed. D. Lovascio (Manchester UP, 2024) (The Revels Plays), xxxii+216 pp.

The Householder's Philosophy, by Thomas Kyd, ed. D. Lovascio, in *The Collected Works of Thomas Kyd: Volume One*, gen. ed. B. Vickers (Woodbridge: Boydell & Brewer, 2024), 239–331

The False One, by John Fletcher and Philip Massinger, ed. D. Lovascio (Manchester UP, 2022; pbk 2025) (The Revels Plays), xxx+212 pp.

Reviewed by **Jennifer Brady** in *Renaissance Quarterly* 77.1 (2024), 312–4: 'his superb Revels edition of Fletcher and Massinger's *The False One* ... promises to spur renewed interest in a playwright once considered Shakespeare's and Jonson's near equal. ... Lovascio's edition, the first in modern spelling and by far the most extensive in the wealth of introductory material treating the play's obscure and limited performance history, its literary sources and its critical reception, among other matters, is ever alert to "the high theatrical potential that the play still retains" (50). His footnotes provide roadmaps to future directors about how they might stage certain scenes: the display of severed heads at key moments of the play, for example, or the arrival of Cleopatra on stage on a "packet" or mattress, and her long ambiguous silence after her startling entrance. This Revels edition points us to the value of reviving *The*

False One as a staged play ... Lovascio has demonstrated his own willingness to emulate Curtius, by leaping into the gulf to preserve this vital but long-neglected Roman play.”

Reviewed by **Darren Freebury-Jones** in *Early Modern Literary Studies* 23.1 (2023), 1–5,
<https://journals.shu.ac.uk/index.php/EMLS/article/view/359/121>: ‘Alongside being a thoughtful, incisive scholar, Lovascio is a skilled editor ... His edition of Fletcher and Massinger’s *The False One* ... makes a major contribution to the editorial history of this drama ... and readers will no doubt eagerly drink up the contents of this edition’s comprehensive introduction. ... Lovascio’s edition of the text itself is impeccable. ... His commentary notes also provide fascinating insights into original performance conditions ... The result is an impressive feat of scholarship: a comprehensive edition worthy of an excellent, scholarly series. Lovascio’s edition is not only a significant milestone in the editorial history of the play; it reveals *The False One* as a drama that bristles with humour and spectacle worthy of performance, and offers wonderful insights into collaborative practises during the period and the presentation of Rome on the Jacobean stage’.

La congiura di Catilina. Testo inglese a fronte, by Ben Jonson, ed. D. Lovascio (Genova: ECIG, 2011), lxxxviii+336 pp.

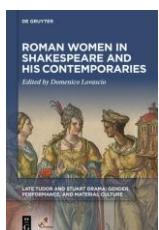

Reviewed by **Julia Griffin** in *The Sixteenth Century Journal* 44.1 (2013), 278: ‘[Lovascio]’s achievement is considerable. Besides making a difficult, sadly underrated work by an important dramatist easily accessible to an Italian readership, he has also demonstrated, abundantly, why the labor involved was so worthwhile. His enthusiasm for the play shines through his introduction: he brings out its political sophistication, its wit, and above all its energy and dramatic life: its ‘vitalità’. He has earned the gratitude of all who admire the play; let us hope he will add to our numbers’.

Reviewed by **Alessio Piras** in *Il sole 24 ore*, <http://24letture.ilsole24ore.com/2012/07/la-congiura-di-catilina/#more-1551>: ‘Very well documented, Lovascio makes good use of the sources and gives reasons for all his critical remarks, skilfully navigating through the rich bibliography on Ben Jonson and the *Conspiracy* . . . , rendering his edition highly topical, critically and philologically rigorous . . . as well as . . . an inescapable point of reference for anyone, in Italy or abroad, who might wish to undertake a similar enterprise’, (my trans.).

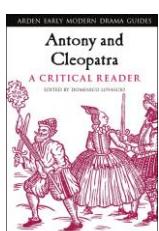

Reviewed by **Maria Elisa Montironi**, *Linguae* 2.1 (2011), 102: ‘This volume marks an important landmark in the reception process activated by Ben Jonson’s *Catiline* and demonstrates to what extent the translation of a literary work can prove a privileged way for its critical interpretation’ (my trans.).
