

Laura Della Giovanna

Researcher

EDUCATION AND TRAINING

2015

Ph.D. in Electrical Engineering, European Ph.D. Label

Thesis: "Nanocomposite Materials for electrical insulation based on polyolefins and their blends"

University of Genoa

2011

Master degree in Electrical Engineering

University of Genoa

2009

Bachelor degree in Electrical Engineering

University of Genoa

PROFESSIONAL HISTORY

2023-present

Type A Researcher

University of Genoa

2015-2016

Research fellow

University of Genoa
