Education and training

2015

Ph.D. in Earth Sciences

University of Genoa - Genoa - IT

2011

Master Degree in Earth Sciences

University of Genoa - Genoa - IT

Academic experience

2019 - ONGOING

Researcher

University of Genoa - Genoa - IT

2017 - 2018

Research fellow

University of Genoa - Genoa - IT

2015 - 2016

Research Fellow

University of Florence - Florence - IT

Language skills

English

Proficient

B2

French

Basic

Teaching activity

I am lecturer in charge of the “Landslide Hazard” course within the framework of the master degree course of “Engineering for Natural Risk Management” (coorte 2018/2019)

Research interests

My research fields concern the following topics: landslide hazard and risk, quantitative analyses for the prediction, prevention and mitigation of geohydrological risks, analysis and characterization of rocks and soils

Grants

2017 - ONGOING

MANagement des Risques de l'Erosion cotière et actions de GOuvernance Transfrontalière (MAREGOT)

Participant

European project INTERREG MARITIMO - Strategic and cross-border project aimed at preventing and managing coastal erosion risks

Editorial activity

I am reviewer for the following scientific journals: Bulletin of Engineering Geology and the Environment, Environmental Earth Sciences, Geofluids

Other professional activities

I am the co-founder and vice-president of GeoScape S.c.a.r.l., a spin-off company of the University of Genoa.
