Università di Genova

Fabio Guolo

Researcher

EDUCATION AND TRAINING

01/09/2018 - 31/05/2019
European Master Class in Hematology
European Society of Hematology, The Hague (NL)

05/11/2018- 30/11/2018
Observer
Leukemia Department, MD Anderson Cancer Center, Houston (TX)

02/11/2017 - 02/11/2020
PhD (Translational Hematology)
Università degli Studi di Genova, Genoa (IT)

05/07/2012 - 05/07/2017
Hematology Training
Università degli Studi di Genova, Genoa (IT)

03/10/2005 - 28/07/2011
Medical School
Università degli Studi di Genova, Genoa (IT)

PROFESSIONAL HISTORY

01/08/2020 – ongoing
Researcher
Università degli Studi di Genova, Genoa (IT)

EXPERIENCE

MAIN SEMINARS

2016 e 2023 Oral Presentation
American Society of Hematology Annual Meeting
American Society of Hematology
2014, 2015, 2016, 2017, 2018, 2019, 2021, 2022, 2023, 2024, 2025 Poster Presentation
American Society of Hematology Annual Meeting
American Society of Hematology

2023 Oral Presentation
European Society of Hematology Annual Congress
European Society of Hematology
2014, 2015, 2016, 2017, 2018, 2019, 2021, 2022, 2023, 2024, 2025 Poster Presentation
European Society of Hematology Annual Congress

European Society of Hematology

2016, 2017, 2019, 2021, 2024 Comunicazione Orale
Società Italiana di Ematologia Congresso annuale
Società Italiana di Ematologia
2014, 2015, 2016, 2017, 2018, 2019, 2021, 2022, 2023, 2024Presentazione Poster
Società Italiana di Ematologia Congresso annuale
Società Italiana di Ematologia

SCIENTIFIC RESPONSIBILITY FOR RESEARCH PROJECTS ACCEPTED FOR FUNDING ON THE BASIS OF COMPETITIVE CALLS INVOLVING PEER REVIEW

2019 Grant from "Compagnia di San Paolo"
Grant for the project "Adoptive immunotherapy with immune cells and checkpoints inhibitor for the treatment of patients affected by relapsed/refractory Hodgkin Lynphoma: anti-neoplastic roole of the NK cells" (PhD thesis)
Compagnia di San Paolo (Italy)

TEACHING OR RESEARCH POSITIONS (FELLOWSHIPS) AT FOREIGN UNIVERSITIES AND RESEARCH INSTITUTES

2025 - 2026 Shadow Junior Mentorship
European Master Class in Hematology
European Society of Hematology, The Hague (NL)

2020 - ongoing Teaching positions:
Cod. 67433 - Hematology – Medical School
Cod. 68027 - Hematology – Pediatric Nursing School
Cod. 80809 – Hematology – Residency
Cod. 68018 – Hematology – Nursing School
Cod. 105111 – Clinical Practice Training for Medical License – Medical School
Cod. 97582 - Hematology – Hematology Training
Università degli Studi di Genova, Genoa (IT)

EDITORSHIP OR PARTICIPATION IN EDITORIAL BOARDS OF JOURNALS, PUBLISHING SERIES, ENCYCLOPAEDIAS AND TREATISES

2024- in corso Associate Editor
Frontiers in molecular Biosciences
2022-2023 Guest Editor
Frontiers in Oncology
2023 Guest Editor
Journal of Clinical Medicine

2023 Diagnosis and management of High Risk Acute Myeloid Leukemia in adult patients" (2023, ISBN: 978-88-5532-193-8)
Co-author
Edizioni Minerva Medica, English

2015- ongoing Reviewer
PLOSone
2019- ongoing Reviewer
Hematological Oncology
2020- ongoing Reviewer

Theranostics
2020- ongoing Reviewer
Expert Review of Anticancer Therapy
2021- ongoing Reviewer
Cancers
2021- ongoing Reviewer
Frontiers in Oncology and Frontiers in Immunology
2022- ongoing Reviewer
Blood Reviews
2023- ongoing Reviewer
Leukemia & Lymphoma
2023- ongoing Reviewer
American Journal of Hematology
2023- ongoing Reviewer
British Journal of Hematology
2026- ongoing Reviewer
Haematologica

2023 Abstract Reviewer (annual meeting, Section Acute Myeloid Leukemia, Clinical)
American Society of Hematology (USA)
2023 Research Grant Proposal Reviewer
Polish National Science Centre (PL)
2024 Research Grant Proposal Reviewer
Dutch Cancer Society (NL)

PRIZES AND ACCOLADES FOR SCIENTIFIC ACTIVITY, INCLUDING MEMBERSHIP OF ACADEMIES

2015, 2016, 2019, 2020, 2022, 2023 Travel Grant
European Hematology Association
2015, 2016, 2019, 2021, 2023 Abstract Achievement Award
American Society of Hematology
2024 Joint EHA-JSH Grant
European Hematology Association and Japanese Society of Hematology

2024- ongoing -Elected Member of Minimal Residual Disease Task Force (Acute Leukemia)
European Organisation for Research and Treatment of Cancer (EORTC)

Member and Regiona Delegate for Regione Liguria
Società Italiana di Ematologia (SIE)
Member of the Italian Scientifc Group "Acute Lymphoblastic Leukemia Campus"
Member of National Working Party “Acute Leukemia Working Party”
Member of European Hematology Association (EHA)
International Associate Member of American Society of Hematology (ASH)
Member of European Organisation for Research and Treatment of Cancer (EORTC) and active member of Leukemia Group and Quality of Life Group

PARTICIPATION IN THE CREATION OF NEW BUSINESS ENTITIES (SPIN-OFFS), DEVELOPMENT, USE AND COMMERCIALISATION OF ACADEMIC PATENTS

2025-ongoingInvestigator Sponserd Research Program
Founding and drug for the project "A Phase II, Open-Label, multicentre, study investigating tolerability and efficacy of Gilteritinib in combination with fludarabine, cytarabine and idarubicin (FLAI) as induction therapy of newly diagnosed non-M3 FLT3-ITD-positive acute

myeloid leukemia"
Astellas Pharma (JP)
