

## **Emanuele Gotelli, MD, PhD**

Assistant professor in Rheumatology

Laboratory of Experimental Rheumatology and Academic Division of Clinical Rheumatology –  
Department of Internal Medicine and Medical Specialties (DIMI)

Address: Viale Benedetto XV, 6 – Genova, 16132

Working e-mail: [emanuele.gotelli@unige.it](mailto:emanuele.gotelli@unige.it)

## **EDUCATION AND TRAINING**

2009

### **High School Diploma (Classical Studies)**

100/100 with honors

Liceo Classico “Federico Delpino” – Chiavari (GE) – IT

2015

### **Graduation in Medicine**

“Osteoblastogenesis inhibitors in systemic sclerosis “ - 110/110 with honors

University of Genova – Genova – IT

2020

### **Postgraduation in Rheumatology**

“Correlation between vitamin D serum levels and clinical parameters in patients with SARS-CoV-2 infection“ - 50/50 with honors

University of Genova – Genova – IT

2024

### **PhD in Clinical and Experimental Immunology (Cycle XXXVI)**

“Characterization of monocyte/macrophage cell population in peripheral blood and in the lung tissue of systemic sclerosis patients“

University of Genova – Genova – IT

## PROFESSIONAL HISTORY

2023-2024

**Research Fellow in Rheumatology**

“Study of skin and lung fibrosis in course of systemic sclerosis through immunohistochemical characterization of macrophage populations”

University of Genova – Genova – IT

2025 - ongoing

**Contract for clinical care in Rheumatology and internal medicine on-call service**

IRCCS Ospedale Policlinico San Martino – Genova – IT

## ACADEMIC APPOINTMENTS

2020-2023

**Student representative for PhD Course in Clinical and Experimental Immunology (Cycle XXXVI)**

University of Genova – Genova – IT

2024 - ongoing

**Assistant Professor in Rheumatology (SSD MEDS-09/C)**

Basic, translational and clinical research and teaching activities for medical students and residents in Rheumatology

University of Genova – Genova – IT

## RESEARCH INTEREST

My main areas of basic, translations and clinical research are:

- Macrophage dynamic polarization in the pathogenesis of autoimmune rheumatic diseases, focusing on systemic sclerosis and rheumatoid arthritis
- Neuro-endocrine-immunology in rheumatic diseases (NEIRD), focusing on the effects of glucocorticoids and vitamin D
- Nailfold videocapillaroscopy in the analysis of peripheral microcirculation (primary and secondary Raynaud's phenomenon) and organ involvement in connective tissue diseases (systemic sclerosis, Sjögren's syndrome, idiopathic inflammatory myopathies, systemic lupus erythematosus, antiphospholipid syndrome, mixed connective tissue disease) and infectious diseases (COVID-19)

## EXPERIENCES

### SCIENTIFIC COMMITMENTS

#### [2022-ongoing](#)

Faculty Member of EULAR online (“EULAR Online Course on Rheumatic Diseases”, “EULAR Online Course on Capillaroscopy & Microcirculation”) and live (“13<sup>th</sup> and 14<sup>th</sup> EULAR Course on Capillaroscopy and Microcirculation in Rheumatic Diseases”) educational courses

#### [2024](#)

Local Scientific Committee Member of “43<sup>rd</sup> European Workshop for Rheumatology Research (EWRR)”

#### [2025](#)

Faculty member of “ReumaLiguria 2025 – 1<sup>st</sup> Regional Theoretical and Practical Meeting”

### MEMBERSHIPS

#### [2016 – Ongoing](#)

Order of Physicians and Surgeons of the Province of Genova, Italy  
Registration number: 16597

#### [2017 – Ongoing](#)

Italian Society of Rheumatology (SIR)

#### [2018 – Ongoing](#)

European Alliance of Associations for Rheumatology (EULAR)

#### [2020 – Ongoing](#)

EULAR Study Group “Neuro Endocrine Immunology of Rheumatic Diseases (NEIRD)”

#### [2020 – Ongoing](#)

EULAR Study Group “Microcirculation in Rheumatic Diseases”

#### [2022 – Ongoing](#)

SIR Study Group “Capillaroscopy and Microcirculation in Rheumatology (CAPSIR)”

#### [2023 – Ongoing](#)

European Scleroderma Trials and Research Group (EUSTAR)  
Member of EUSTAR Center n°11

#### [2023 – Ongoing](#)

European Reference Network on Connective Tissue and Musculoskeletal Diseases (ERN ReCONNET)

Active collaboration for the organization of online educational webinars for health care professionals and patients suffering from rare connective tissue diseases

#### [2024 – Ongoing](#)

American College of Rheumatology (ACR)

## **CLINICAL TRIAL RESEARCH**

Study Coordinator/Sub-Investigator in several international multicenter clinical trials (both observational studies and phase II and III randomized controlled clinical trials) with Certification of ICH Good Clinical Practice E6 and IATA (International Air Transport Association) Certification for the shipping of Category A (Infectious Substance Affecting Humans) and Category B (Biological Substance) dangerous goods.

## **EDITORSHIP OR PARTICIPATION IN EDITORIAL BOARDS OF JOURNALS, PUBLISHING SERIES, ENCYCLOPAEDIAS AND TREATISES**

### [2022 - Ongoing](#)

Reviewer for the Journals “European Journal of Clinical Investigation”, “RMD Open”, “Immunology Letters”, “Frontiers in Immunology”, “Frontiers in Medicine” and “Nature Reviews Rheumatology”

### [2022-2023](#)

Guest Editor Assistant of the Special Issue “Vitamin D, Immune Response and Autoimmune Diseases” for the journal “Nutrients”

### [2023-2024](#)

Guest Editor Assistant of the Special Issue “Vitamin D, Immune Response and Autoimmune Diseases 2<sup>nd</sup> Edition” for the journal “Nutrients”

### [2024 – Ongoing](#)

Editorial board member of “Neuroimmunomodulation”

### [2024 – Ongoing](#)

Editorial board member of “Journal of Environmental Rheumatology”

## **SCIENTIFIC PUBLICATIONS**

- Open Researcher and Contributor ID (ORCID): 0000-0002-4732-0006
- Author of 64 peer-reviewed manuscripts and 3 chapters books
- Author of 159 conference papers (abstracts, posters and oral communications) presented at national and international scientific congresses
- Scopus h-index: 16

## **LANGUAGES**

- Italian (native language)
- English (proficient level for understanding, speaking and writing)
