

## Matteo Bozzo

Researcher

### EDUCATION AND TRAINING

2021

**PhD in Experimental Medicine**

Dissertation: *Glial cells of developing amphioxus: a molecular study*  
Università di Genova – Genoa – IT

2016

**Master's Degree in Molecular and Health Biology**

Titolo tesi: *Role of lin-28 in the development and differentiation of the chordates*  
Università di Genova – Genoa – IT

2014

**Bachelor's Degree in Biological Sciences**

Titolo tesi: *IHC and ISH techniques for the study of HMGA-like in the invertebrate chordate amphioxus*  
Università di Genova – Genoa – IT

### PROFESSIONAL HISTORY

2023 – IN CORSO

**Fixed-term Researcher (RTDA)**

SSD BIOS-04/A - Comparative Anatomy, Cell Biology and Developmental Biology  
DISTAV – Università di Genova – Genoa – IT

2021-2022

**Research Fellow**

DISTAV – Università di Genova – Genoa – IT

2016-2017

**Erasmus Plus Trainee**

Institute of Molecular Genetics – Academy of Sciences of the Czech Republic - Prague - CZ

### EXPERIENCE

QUALIFICATIONS

2026

**Qualification to the functions of Maître de Conférences, section 65 (Cell Biology)**

Conseil National des Universités – France

2020

**Qualification as professional Biologist**

Università di Genova – Genoa – IT

MAIN SEMINARS

06/11/2019 Invited seminar

Title: *It's a long way from amphioxus: evo-devo at the origin of chordates*

Università di Padova – Padua – IT

10/07/2019 Invited seminar

Title: *Approaches to the study of neuroglia in amphioxus*

Institut de la Mer de Villefranche – Villefranche-sur-mer – FR

EDITORSHIP OR PARTICIPATION IN EDITORIAL BOARDS OF JOURNALS, PUBLISHING SERIES,  
ENCYCLOPAEDIAS AND TREATISES

2024 – PRESENT Associate Editor

Journal of Biological Research – Bollettino della Società Italiana di Biologia Sperimentale

PRIZES AND ACCOLADES FOR SCIENTIFIC ACTIVITY, INCLUDING MEMBERSHIP OF ACADEMIES

2026 Award for the best talk

5th Italian Zebrafish Meeting

2021 Award for the best talk

GEI-Italian Society of Development and Cell Biology
